# Safety Instruction Guide for Badger Ordnance Steel Recoil Lug

## Introduction

Thank you for choosing the Badger Ordnance Steel Recoil Lug for your Marine Corps M40A3/5 rifles. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure safe handling and installation of the recoil lug to prevent accidents and injuries.
- Always use the recoil lug in accordance with the manufacturer's specifications.
- Be aware of potential hazards associated with improper installation or use.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly check for any updates regarding recalls or safety notices through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always inspect the recoil lug for damage before installation. Do not use if damaged.
- Ensure that you are using the correct tools and equipment for installation.
- Wear appropriate safety gear, such as gloves and eye protection, during installation.
- Follow all firearm safety rules when handling the rifle.
- Do not exceed the recommended specifications for the recoil lug during use.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure that your workspace is clean and free from distractions.

### 2. Installation Steps

- Remove the existing recoil lug from your rifle, if applicable.
- Inspect the area where the recoil lug will be installed for any debris or damage.
- Align the Badger Ordnance Steel Recoil Lug with the mounting area on your rifle.
- Secure the recoil lug in place using the appropriate screws, ensuring they are tightened to the manufacturer's specifications.
- Doublecheck the alignment and security of the recoil lug before proceeding.

### 3. Usage

- Once installed, test the rifle in a safe environment to ensure proper function.
- Monitor the recoil lug for any signs of wear or damage during use.
- If any issues arise, cease use immediately and consult a qualified gunsmith.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the recoil lug becomes damaged beyond repair, dispose of it in a manner that prevents any potential hazards to others.

## **Contact Information for Further Support**

For any inquiries regarding the Badger Ordnance Steel Recoil Lug, please refer to the manufacturer's contact details provided with your product packaging. It is important to have access to support for any safety concerns or questions.

By following these guidelines, you can ensure a safe and effective experience with your Badger Ordnance Steel Recoil Lug. Thank you for your attention to safety.
