Safety Instruction Guide for Badger Ordnance 34mm Low Scope Rings

Introduction

Thank you for choosing the Badger Ordnance 34mm Low Scope Rings. These scope rings are designed to provide a secure and stable mounting solution for your optics, ensuring optimal performance with precision rifles. This guide provides essential safety instructions and guidelines to help you use this product safely and effectively.

General Safety Guidelines

- Ensure that the scope rings are compatible with your scope and firearm.
- Always handle firearms and related accessories with care.
- Regularly inspect the scope rings for any signs of wear or damage.
- Store the scope rings in a dry and secure location when not in use.
- Follow all applicable laws and regulations regarding firearm accessories in your area.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended torque specifications when mounting.
- Avoid using the scope rings with damaged or improperly functioning optics.
- Ensure that the scope rings are securely fastened before each use.
- Keep the installation area clear of obstacles and distractions to maintain focus.
- Use protective eyewear when installing or adjusting the scope rings.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate screws.
- Ensure your firearm is unloaded and pointed in a safe direction.

2. Mounting the Scope Rings

- Position the scope rings on the rifle's mounting platform.
- Align the rings with the scope's mounting points.
- Insert screws into the rings and tighten them by hand to secure the position.

3. Securing the Scope Rings

- Use a torque wrench to tighten the screws to the manufacturer's recommended torque specifications.
- Doublecheck that the rings are firmly secured and that there is no movement.

4. Attaching the Scope

- Carefully place the scope into the mounted rings.
- Adjust the scope position to ensure proper eye relief and alignment.
- Tighten the scope rings to secure the scope in place.

5. Final Inspection

- Conduct a final inspection of the installation to ensure everything is secure.

- Check for any signs of misalignment or looseness.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the scope rings are no longer usable, dispose of them in accordance with local waste management guidelines.
- Do not dispose of the product in fire, as it may release harmful substances.

Contact Information for Further Support

For any safety inquiries or assistance regarding the Badger Ordnance 34mm Low Scope Rings, please consult the retailer or manufacturer where the product was purchased. They can provide you with the necessary information and support.

By following these guidelines, you can ensure the safe and effective use of your Badger Ordnance 34mm Low Scope Rings. Always prioritize safety and adhere to local regulations when using firearm accessories. Thank you for your attention to these important safety instructions.
