Condition One ARC Spacer Block Safety Instructions

Introduction

Thank you for choosing the Condition One ARC Spacer Block. This product is designed to enhance the functionality of your C1 ARC compatible accessories by providing an elevation adjustment of .250 inches. It is essential to follow the safety guidelines and instructions outlined in this document to ensure safe and effective use.

General Safety Guidelines

- Always inspect the product for any damage or defects before use.
- Ensure that the spacer block is compatible with your specific C1 ARC accessory.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the spacer block for any purpose other than its intended use.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that the installation surface is clean and free from debris before attaching the spacer block.
- Use appropriate tools as specified in the installation instructions to avoid damaging the product.
- Do not exceed the recommended weight limits for accessories mounted using the spacer block.
- Regularly check the tightness of the spacer block after installation to ensure it remains securely attached.
- Be cautious of sharp edges during installation and handling.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools, including a screwdriver or wrench as required.
- Ensure that the installation area is welllit and free from distractions.

2. Installation Steps:

- Remove any existing accessories from the mounting area.
- Align the Condition One ARC Spacer Block with the mounting points of your C1 ARC compatible accessory.
- Securely attach the spacer block using the appropriate screws or fasteners. Ensure they are tightened to the manufacturer's specifications.
- Reattach your accessory on top of the spacer block, ensuring it is properly aligned and secured.

3. Usage:

- After installation, test the stability of the accessory to ensure it is securely mounted.
- Use the accessory as intended, keeping in mind the additional elevation provided by the spacer block.

Disposal Instructions

- Dispose of the Condition One ARC Spacer Block according to local regulations regarding aluminum and metal products.
- Do not dispose of the product in household waste.

- Consider recycling the product if possible.

Contact Information for Further Support

For any inquiries or issues related to the Condition One ARC Spacer Block, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these safety instructions, you can ensure the safe and effective use of the Condition One ARC Spacer Block. Thank you for your attention to these important guidelines.
