

CONDITION ONE ACCESSORY RING CAPS - BADGER ORDNANCE

30MM CONDITION ONE ACCESSORY RING CAP TAN

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The ARC is a modular replacement ring cap for any Condition One Modular Mount. It allows the user to mount a myriad of accessories fore or aft on their C1 Mounts to include different variants of Laser Range Finder rails or 12 o'clock mounted Red Dot Optics. The C1 ARC allows the accessories to be connected or disconnected without removal of the ARC itself thus maintaining zero of your primary optic. 7075 T6 Aluminum, Mil Spec Type III Hardcoat Anodized, black or tan.

CONDITION ONE ACCESSORY RING CAPS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Condition One Accessory Ring Caps by Badger Ordnance. This guide is designed to provide you with essential safety instructions, installation guidelines, and general information to ensure the safe use of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the accessory ring caps for any signs of wear or damage before each use.
- Store the product in a safe, dry place when not in use to prevent accidental damage or misuse.
- Keep this product out of reach of children and vulnerable individuals to avoid potential hazards.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the accessory ring cap is securely attached to the Condition One Modular Mount before use.
- Do not exceed the specified weight limit for accessories mounted on the ring cap.
- Avoid using the accessory ring cap in extreme weather conditions that may compromise its integrity.
- Use only compatible accessories as specified by the manufacturer to prevent accidents or malfunctions.
- If using laser devices, ensure proper eye protection is worn to prevent eye injury.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and accessories before starting the installation process.
- Ensure that the workspace is clean and free of any obstructions.

2. Installation Steps:

- Remove any existing ring cap from the Condition One Modular Mount.
- Align the Condition One Accessory Ring Cap with the mount, ensuring the locking mechanism is facing the correct direction.
- Securely fasten the ring cap to the mount by following the manufacturer's instructions.
- Confirm that the ring cap is firmly attached and does not wobble or move.

3. Usage:

- Attach your desired accessory to the ring cap following the manufacturer's guidelines.
- Check that the accessory is securely mounted and that all locking mechanisms are engaged.
- Test the stability of the mounted accessory before engaging in any activities.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries related to safety concerns or product information, please refer to your local Badger Ordnance distributor or authorized retailer.

By following these guidelines, you can ensure the safe and effective use of your Condition One Accessory Ring Caps. Thank you for your attention to safety.
