

# CONDITION ONE ACCESSORY RING CAPS - BADGER ORDNANCE

## 34MM CONDITION ONE ACCESSORY RING CAP TAN

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The ARC is a modular replacement ring cap for any Condition One Modular Mount. It allows the user to mount a myriad of accessories fore or aft on their C1 Mounts to include different variants of Laser Range Finder rails or 12 o'clock mounted Red Dot Optics. The C1 ARC allows the accessories to be connected or disconnected without removal of the ARC itself thus maintaining zero of your primary optic. 7075 T6 Aluminum, Mil Spec Type III Hardcoat Anodized, black or tan.

# CONDITION ONE ACCESSORY RING CAP SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for purchasing the CONDITION ONE ACCESSORY RING CAP. This guide provides essential safety instructions and guidelines for the proper use and installation of your product. Please read this document carefully to ensure safe operation and compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified in the product description.
- Regularly inspect the accessory ring cap for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the accessory ring cap only with compatible Condition One Modular Mounts.
- Do not exceed the weight limit specified for the accessories mounted on the ring cap.
- Ensure that all accessories are securely attached before use to prevent accidents.
- Avoid using the product in extreme environmental conditions that may affect its performance.
- Do not attempt to modify or disassemble the accessory ring cap, as this may compromise safety.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the Condition One Modular Mount is clean and free from debris.
- Align the accessory ring cap with the mounting points on the modular mount.
- Securely fasten the ring cap using the appropriate tools, ensuring it is tightened to prevent any movement during use.
- Doublecheck the attachment to confirm that the ring cap is securely in place.

### 2. Usage:

- Attach accessories such as Laser Range Finder rails or Red Dot Optics to the accessory ring cap as needed.
- Ensure that any mounted accessories are properly aligned and secured.
- When removing or replacing accessories, do so carefully to maintain the zero of your primary optic.
- After use, inspect the accessory ring cap and mounted accessories for any signs of wear or damage.

## Disposal Instructions

- Dispose of the accessory ring cap and any related packaging materials in accordance with local regulations.
- Avoid disposing of the product in regular household waste. Check for designated recycling facilities in your area.
- If the product is damaged beyond repair, ensure it is disposed of in a way that prevents environmental harm.

## **Contact Information for Further Support**

For any inquiries related to safety or product support, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. Enjoy using your CONDITION ONE ACCESSORY RING CAP responsibly and safely.
