

# CONDITION ONE ACCESSORY RING CAPS - BADGER ORDNANCE

## 35MM CONDITION ONE ACCESSORY RING CAP BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The ARC is a modular replacement ring cap for any Condition One Modular Mount. It allows the user to mount a myriad of accessories fore or aft on their C1 Mounts to include different variants of Laser Range Finder rails or 12 o'clock mounted Red Dot Optics. The C1 ARC allows the accessories to be connected or disconnected without removal of the ARC itself thus maintaining zero of your primary optic. 7075 T6 Aluminum, Mil Spec Type III Hardcoat Anodized, black or tan.

# CONDITION ONE ACCESSORY RING CAPS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Condition One Accessory Ring Caps by Badger Ordnance. This product is designed to enhance the functionality of your Condition One Modular Mount. To ensure your safety and the optimal performance of your accessory ring caps, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the accessory ring caps before use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to accessory detachment during use.
  - Using incompatible accessories may compromise the safety and effectiveness of the mount.
- **Avoiding Hazards:**
  - Always ensure that accessories are securely fastened to the ring caps.
  - Do not exceed the weight limit specified for the accessories being used.
  - Avoid using the product in extreme weather conditions that may affect performance.
- **Age Specific Warnings:**
  - This product is not intended for use by children. Keep it stored securely away from minors.

## Instructions for Installation and Usage

### 1. Installation:

- Begin by ensuring that your Condition One Modular Mount is clean and free of debris.
- Align the accessory ring cap with the mount, ensuring that it fits securely.
- Tighten the securing mechanism until the cap is firmly in place, but do not overtighten as this may damage the mount.
- Attach your chosen accessory to the ring cap, ensuring it is compatible and securely fastened.

### 2. Usage:

- Always check that the accessory is properly attached before use.
- If you need to disconnect the accessory, do so carefully to maintain the zero of your primary optic.
- Regularly inspect the accessory and ring cap during use for any signs of wear or damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling if possible, as the materials used are often recyclable.

## **Contact Information for Further Support**

For any inquiries regarding safety concerns or product support, please refer to the manufacturer's contact information included with your product packaging.

Thank you for your attention to these safety guidelines. Enjoy using your Condition One Accessory Ring Caps responsibly and safely.
