

AR-15 MK4 FEDERAL SUPER MODULAR RAILS - GEISSELE AUTOMATICS MK4 10" FEDERAL SUPER MODULAR RAIL M-LOK DDC

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

This is the same rail used to fulfill contracts for the Federal Bureau of Investigation (FBI). Its strength, modularity and M-Lok compatibility gives users the capabilities needed to successfully complete the mission at hand. These rails are purpose-built and feature integrated M1913 picatinny rail sections at the fore of the rail in the 3, 6 and 9 o'clock positions. The Picatinny rail on the bottom of the rail, or the 6 o'clock position, is elongated in this version to accommodate accessories more comfortably. Maximum venting for heat dissipation also dramatically reduces the rails overall weight, while maintaining its same strong and rigid platform. The MK4 M-LOK rail features M-LOK slots at the 3, 6 and 9 o'clock positions as well as the upper 45° quadrants. This allows the user to keep the weight on the rail system down, while keeping the modularity and versatility to attach accessories as necessary. Available in Black, DDC, Gray, and OD Green All rails 10" long Made of Aluminum and feature M-LOK slots

Attributes

- Name: [GEISSELE AUTOMATICS MK4 10" FEDERAL SUPER MODULAR RAIL M-LOK DDC](#)
- Manufacturer: [GEISSELE AUTOMATICS](#)
- Product no.: 100042828
- Mfr. No.: 05-430S

Safety Instruction Guide for AR15 MK4 Federal Super Modular Rails

Introduction

Thank you for choosing the AR15 MK4 Federal Super Modular Rails by Geissele Automatics. This guide provides essential safety instructions to ensure the safe and effective use of your product. Adhering to these guidelines will help you avoid potential hazards and enhance your overall experience.

General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Always handle the rail with care to prevent injury or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the rail for any signs of wear or damage before each use.
- Follow all local laws and regulations related to firearm accessories.

Specific Safety Precautions for Use

- **Modularity:** The rail is designed for modular use. Ensure that all attachments are securely fastened before handling.
- **Heat Dissipation:** Be aware that the rail can become hot during use. Avoid direct contact with heated surfaces.
- **Weight Distribution:** When attaching accessories, ensure proper weight distribution to maintain balance and control.
- **Installation:** Follow the installation instructions carefully to avoid improper setup that could lead to accidents.
- **Maintenance:** Regularly clean the rail to ensure optimal performance and longevity.

Instructions for Installation and Usage

Installation

1. Preparation:

- Gather all necessary tools for installation.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Attaching the Rail:

- Align the rail with the designated mounting points on your firearm.
- Use the provided hardware to secure the rail in place.
- Tighten all screws and bolts to the manufacturer's specifications.

3. Adding Accessories:

- Attach accessories to the MLOK slots as needed.
- Ensure all accessories are securely fastened.

Usage

- Always ensure the firearm is in a safe condition before handling.
- Practice safe shooting habits and follow all firearm safety rules.
- Be mindful of your surroundings and ensure a clear line of sight when using the firearm.

Disposal Instructions

- Dispose of the rail in accordance with local regulations.
- If the rail is damaged beyond repair, consider recycling the aluminum material where applicable.
- Do not dispose of the rail in regular household waste.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's website or contact your local dealer.

By following these guidelines, you can ensure a safe and enjoyable experience with your AR15 MK4 Federal Super Modular Rails. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
