

# TANGO SM SPUHR MOUNTED ARTICULATING FINE-ADJUSTABLE LEVEL - FLATLINE OPS TANGO SM SPUHR MOUNTED ARTICULATING FINE-ADJUSTABLE LEVEL

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

SPUHR® MOUNTED FOR ACCURACY The TANGO SM ACCU/LEVEL™ is Flatline Ops' newest SPUHR® mounted scope level\*. It boasts the industries only SPUHR® adaptable level that is 'micro fine-adjustable' after installation. The Tango SM™ features interface locating rings that nest into the SPUHR® interface to assure a precision fitment. The ultra-lightweight design, at only 0.7oz, is Machined from 6061-T6 aerospace grade aluminum and Mil Spec type III hard anodized for harsh conditions and abuse. The Tango SM™ patented articulating level arm, when not in use, the arm can be tucked into the body for safe travel and protection. When you are ready to use it, simply articulate the level arm out and you are ready to go. A long-range shot has many factors to take into consideration to be sure you are on target, and our ACCU/LEVEL™ system aids in the correction of ""cant error,"" giving you dead-on true vertical hold. The level also features an ultra-low profile and machine precision design to make sure you are locked into place before taking that critical shot. MADE IN THE USA IMPORTANT FITMENT INFORMATION \* SPUHR® Mount Fitment: The Tango SM™ fits SPUHR® Mount Models: SA, SP, SS, ST, and QDP. Other models may vary and may not be compatible. The mounting locations may vary depending on scope brand, tube and turret size, as well as SPUHR® Mount model and size. We recommend running the Tango SM™ in the rear lower interface locations for best sight acquisition.

## Attributes

- Name: [FLATLINE OPS TANGO SM SPUHR MOUNTED ARTICULATING FINE-ADJUSTABLE LEVEL](#)
- Manufacturer: [FLATLINE OPS](#)
- Product no.: 100042886
- Mfr. No.: 40002-TSM
- Finish: Black
- Tube Size: Universal
- Delivery weight: 0.052kg
- Shipping height: 19mm
- Shipping width: 95mm
- Shipping length: 152mm
- UPC: 850020891160

# Safety Instruction Guide for TANGO SM SPUHR MOUNTED ARTICULATING FINEADJUSTABLE LEVEL

## Introduction

Thank you for choosing the TANGO SM ACCU/LEVEL™ by Flatline Ops. This product is designed to enhance your shooting accuracy while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use and maintain your device safely.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the product for any signs of damage or wear.
- Keep the product away from children and vulnerable individuals.
- Always follow local laws and regulations regarding the use of scope levels.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Before use, ensure that the Tango SM™ is properly mounted to your SPUHR® mount.
- Do not attempt to adjust the level arm while aiming or firing.
- Always check for a secure fitment before taking a shot.
- Avoid exposing the product to extreme temperatures or harsh conditions that may affect its performance.
- Use the product only in a safe environment where shooting is permitted and safe.

## Instructions for Installation and Usage

### Installation

#### 1. Mounting the Level:

- Ensure that the SPUHR® mount is clean and free from debris.
- Align the Tango SM™ with the SPUHR® interface.
- Insert the interface locating rings into the SPUHR® interface.
- Secure the level by tightening the mount screws according to the manufacturer's specifications.

#### 2. Checking Fitment:

- After installation, check that the Tango SM™ is securely attached and does not wobble.
- Adjust the position if necessary to achieve a precise fit.

### Usage

#### 1. Articulating the Level Arm:

- When ready to use, gently articulate the level arm out from the body.
- Ensure that the level arm is fully extended and locked in place before aiming.

#### 2. Using the Level:

- Look through your scope and ensure the level is aligned correctly.
- Make necessary adjustments to your aim based on the level's readings to correct any "cant error."

### **3. Storage:**

- When not in use, tuck the level arm back into the body for safe travel and protection.
- Store the product in a cool, dry place away from direct sunlight.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is no longer functional, consider recycling the aluminum components where possible.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your product.

By following these guidelines, you can ensure the safe and effective use of the TANGO SM ACCU/LEVEL™. Always prioritize safety and make informed decisions while using the product.
