

AR-15/M16 MK 8 SUPER MODULAR RAILS, M-LOK - GEISSELE AUTOMATICS MK8 10.5" M-LOK SUPER MODULAR RAIL DDC

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Lightweight, Free-Floating Modular Handguard

Ergonomic, lightweight modular rail system offers plenty of M-LOK attachment points along the entire length. Single piece assembly is machined from a semi-billet extrusion of aircraft grade aluminum for enhanced strength and performance to weight ratio. Free floating handguard attaches via long barrel nut machined from aircraft grade aluminum with a hardcoat anodized surface. Handguard fits tightly on the barrel nut and clamps securely by two cross bolt. M-LOK technology allows shooter to place accessory rails anywhere along the length of the rail in 45° intervals. Handguard has two standard, non-rotating QD slots on either side. Please note that a gas block is no longer included with these handguards.

Safety Instruction Guide for the AR15/M16 MK 8 SUPER MODULAR RAILS, MLOK

Introduction

Thank you for choosing the AR15/M16 MK 8 SUPER MODULAR RAILS, MLOK by Geissele Automatics. This product is designed to enhance your shooting experience with its ergonomic and lightweight modular rail system. To ensure safe usage and compliance with EU regulations, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that you are familiar with the safe handling and operation of firearms before using this product.
- Always follow the manufacturer's instructions and guidelines when using the handguard and rail system.
- Store the product in a safe place, away from children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on any recall notices or safety alerts via the EU Safety Gate platform.

Specific Safety Precautions for Use

- This product is intended for use with AR15/M16 firearms only. Ensure compatibility before installation.
- Do not exceed the weight limit for accessories attached to the rail system to prevent failure.
- Avoid placing any accessories in a manner that obstructs the shooter's view or operation of the firearm.
- Ensure that all attachments are securely fastened to prevent them from becoming loose during use.
- Do not modify or alter the product in any way, as this may compromise safety and performance.
- Always use protective eyewear when shooting to safeguard against potential debris or projectiles.

Instructions for Installation and Usage

1. Installation

- Ensure all tools required for installation are available.
- Remove the existing handguard from your firearm, if applicable.
- Attach the provided barrel nut to the barrel, ensuring it is properly tightened.
- Slide the handguard over the barrel nut and align it correctly.
- Secure the handguard by tightening the two cross bolts to ensure a tight fit.
- Check that the handguard is securely attached and does not move.

2. Usage

- Familiarize yourself with the MLOK attachment system to understand how to add or remove accessories.
- Place accessory rails at 45° intervals along the length of the rail as desired.
- Ensure all accessories are firmly attached and check for stability before use.
- Always handle your firearm responsibly and in accordance with local laws and regulations.

Disposal Instructions

- Dispose of this product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible to minimize environmental impact.

Contact Information for Further Support

For questions or concerns regarding the AR15/M16 MK 8 SUPER MODULAR RAILS, MLOK, please reach out to the manufacturer or your local retailer for assistance. Ensure you have the product information available for reference.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the AR15/M16 MK 8 SUPER MODULAR RAILS, MLOK responsibly and safely.
