

SIERRATAC PADDED SLING - SPIRITUS SYSTEMS SIERRATAC PADDED SLING MULTICAM

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The SIERRATAC Sling, by Spiritus Systems. Customers have been asking Spiritus Systems for a sling for a long time, and they are pleased to have teamed up with SIERRATAC to provide you with one of the best slings on the market. The Sling was developed, and field tested by professional end users in both the LEO and Military realms. Every detail of the sling was meticulously thought out to provide the end user with an optimal solution for securing their weapon. Make no mistake, this sling was designed with real world operations in mind. Notable Features SIERRATAC Proprietary Billet Aluminum Slider allows for quick tension adjustment to the sling without the inherent danger of a tail snagging other items. The slider acts as a solid indexing point under stressful or dark conditions. The slider does have machined slots that allow the user to add a small pull tab to it if desired. Premium foam padding for added comfort during extended operations or training events. The padding encasement is constructed out of 500d Cordura and has a minimal seam that ensures that there are no rough edges that will rub the users neck raw. We do not use biding to close the encasement which can rub your neck raw after prolonged usage. Open looped ends allow the user to add whatever mounting hardware is needed to fit their needs.

Attributes

SIERRATAC Padded Sling Safety Instructions

Introduction

Thank you for choosing the SIERRATAC Padded Sling by Spiritus Systems. This guide provides important safety information and instructions to ensure the safe use of your sling. Please read this document carefully before using the product.

General Safety Guidelines

- Always inspect the sling before each use for any signs of wear, damage, or malfunction. Do not use if any issues are found.
- Ensure the sling is securely attached to your weapon before use.
- Use the sling only for its intended purpose, which is to secure a weapon.
- Keep the sling away from heat sources, sharp objects, and chemicals that may damage the material.
- Store the sling in a cool, dry place when not in use.
- If you experience any discomfort while using the sling, discontinue use immediately.

Specific Safety Precautions for Use

- The SIERRATAC Sling is designed for adult users. Keep out of reach of children to prevent accidents.
- Ensure that the sling is adjusted properly for your body size and the type of weapon being used.
- Avoid using the sling in situations where it could become entangled or snagged on other objects.
- Be cautious when adjusting the tension of the sling, as improper adjustments may lead to loss of control over the weapon.
- If using the sling in lowlight conditions, take extra care to ensure that it is properly secured and adjusted.

Instructions for Installation and Usage

1. Installation

- Identify the mounting points on your weapon where the sling will be attached.
- Open the looped ends of the sling and attach them to the designated mounting hardware.
- Ensure that the sling is securely fastened and that there are no loose ends.

2. Adjustment

- Use the SIERRATAC Proprietary Billet Aluminum Slider to adjust the tension of the sling.
- Pull the slider to increase or decrease tension as needed. Ensure that the slider is securely locked in place.

3. Usage

- Place the sling over your shoulder and adjust the length to ensure a comfortable fit.
- When carrying your weapon, ensure that the sling supports the weight evenly and does not cause strain.
- Always be aware of your surroundings and ensure that the sling does not obstruct your movement.

Disposal Instructions

- When the sling has reached the end of its useful life, dispose of it responsibly.
- Follow local regulations for the disposal of textile products.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the contact information provided on the product packaging or the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your SIERRATAC Padded Sling!
