

SIERRATAC PADDED SLING MULTICAM TROPIC

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The SIERRATAC Sling, by Spiritus Systems. Customers have been asking Spiritus Systems for a sling for a long time, and they are pleased to have teamed up with SIERRATAC to provide you with one of the best slings on the market. The Sling was developed, and field tested by professional end users in both the LEO and Military realms. Every detail of the sling was meticulously thought out to provide the end user with an optimal solution for securing their weapon. Make no mistake, this sling was designed with real world operations in mind. Notable Features SIERRATAC Proprietary Billet Aluminum Slider allows for quick tension adjustment to the sling without the inherent danger of a tail snagging other items. The slider acts as a solid indexing point under stressful or dark conditions. The slider does have machined slots that allow the user to add a small pull tab to it if desired. Premium foam padding for added comfort during extended operations or training events. The padding encasement is constructed out of 500d Cordura and has a minimal seam that ensures that there are no rough edges that will rub the users neck raw. We do not use biding to close the encasement which can rub your neck raw after prolonged usage. Open looped ends allow the user to add whatever mounting hardware is needed to fit their needs.

Attributes

SIERRATAC Padded Sling Safety Instruction Guide

Introduction

Thank you for choosing the SIERRATAC Padded Sling by Spiritus Systems. This safety instruction guide is designed to ensure the safe use of your sling, providing you with essential information to maximize its performance while minimizing risks. Please read this guide carefully before using the product.

General Safety Guidelines

- Always inspect the sling before each use for any signs of wear or damage.
- Ensure that all mounting hardware is securely attached and in good condition.
- Use the sling only for its intended purpose: securing and carrying your weapon.
- Keep the sling away from children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of slings and firearms.
- If you experience any issues or have concerns about the sling, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Tension Adjustment:** When adjusting the tension using the proprietary billet aluminum slider, ensure that your hands are clear of any moving parts to avoid pinching.
- **Padding Comfort:** The premium foam padding is designed for comfort; however, if you experience any discomfort or irritation, adjust the sling or discontinue use.
- **Tail Snagging:** Be aware of your surroundings to avoid snagging the sling on objects, which could lead to accidental discharge or injury.
- **Night Operations:** In lowlight conditions, familiarize yourself with the slider's location to ensure quick and safe adjustments.
- **Prolonged Use:** Take breaks during extended operations to prevent fatigue and discomfort.

Instructions for Installation and Usage

1. Installation:

- Choose the appropriate mounting hardware that suits your weapon and intended use.
- Attach the sling to the designated mounting points on your weapon securely.
- Ensure that the open looped ends are properly threaded through the mounting hardware.

2. Usage:

- Adjust the sling to your desired length using the billet aluminum slider.
- Ensure that the sling is positioned comfortably on your body, allowing for easy access to your weapon.
- Practice using the sling in a safe environment to become familiar with its operation and adjustments.

Disposal Instructions

- Dispose of the sling responsibly by following local regulations for textile waste.
- If the sling is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the sling in regular household waste if it can be recycled or repurposed.

Contact Information for Further Support

For any questions or concerns regarding the SIERRATAC Padded Sling, please refer to the manufacturer's website or contact the retailer where you purchased the product for assistance.
