

FOUNDATION SERIES PLATE CARRIERS - BLACKHAWK FOUNDATION SERIES PLATE CARRIER MEDIUM/LARGE BLACK

[Home](#)

The Foundation Series Plate Carrier utilizes cutting edge fabric technology to deliver a highly modular armor carrier system that is also incredibly lightweight yet adaptable and ready for any mission. We all know, ounces equal pounds when it comes to fighting gear. Weighing in right at one pound (Without Armor), the Foundation Plate Carrier helps you shed pounds where it counts ensuring you can go farther, longer, faster and stronger than before. This is achieved using our laminate 1000D/500D laser cut, laminate nylon providing peak weight reduction without sacrifice in strength. Modularity, because missions change, and you need to be ready to adapt. It is out of this basic need that the Foundation Plate Carrier is ready to adapt with you. By utilizing removable split-bar buckles and standardized interchangeable placards, you will have the modularity to scale back and forth between Foundation Plate Carriers and Foundation Chest Rigs, rapidly reconfiguring your gear for whatever mission comes next. All sizes are one-size-fits-most: SM/MD accommodates plates up to 9.5" x 12.5" MD/LG accommodates plates up to 10.5" x 13.25" Weighs right at 1 pound without Armor Elastic cumberbund for superior comfort and flexibility Elastic cumberbund for superior comfort and flexibility

Safety Instruction Guide for the BLACKHAWK Foundation Series Plate Carrier

Introduction

Thank you for choosing the BLACKHAWK Foundation Series Plate Carrier. This guide aims to provide you with essential safety information to ensure the safe use of your product. The Foundation Series Plate Carrier is designed for adaptability and comfort while maintaining a lightweight profile. Please read this guide carefully to understand how to use and maintain your plate carrier safely.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the plate carrier by following all instructions. The carrier is designed for nonfood use and addresses risks associated with armor carriers.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Check official sources for updates.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is used only by capable adults.
- **EU Contact Point:** For safety inquiries, please refer to the relevant EU authorities or safety organizations.
- **Rapid Alerts:** Be aware of updates regarding unsafe products through the EU Safety Gate system.

Specific Safety Precautions for Use

- **Inspection:** Before each use, inspect the plate carrier for any signs of wear or damage. Do not use if damaged.
- **Proper Fit:** Ensure the plate carrier is properly adjusted to fit your body. A loose fit may compromise safety.
- **Weight Limit:** Do not exceed the recommended weight limit for armor plates. Overloading may affect performance.
- **Environmental Conditions:** Avoid using the plate carrier in extreme weather conditions that may compromise its integrity.
- **Training:** Familiarize yourself with the use of the plate carrier. Proper training is essential for effective use in the field.

Instructions for Installation and Usage

1. Adjusting the Carrier:

- Loosen all straps before putting on the carrier.
- Slip the carrier over your head and adjust the shoulder straps for comfort.
- Secure the elastic cummerbund around your waist, ensuring a snug fit without restricting movement.

2. Inserting Armor Plates:

- Open the front and back compartments of the carrier.
- Insert the appropriate armor plates according to the size specifications:
 - SM/MD accommodates plates up to 9.5" x 12.5"
 - MD/LG accommodates plates up to 10.5" x 13.25"
- Ensure the plates are positioned correctly and secure all compartments.

3. **Using Modular Components:**

- Attach any additional accessories or placards using the removable splitbar buckles.
- Adjust the configuration based on mission requirements.

4. **PostUse Care:**

- After use, remove the carrier and inspect for any damage.
- Clean the carrier according to the manufacturer's recommendations to maintain its longevity.

Disposal Instructions

- **End of Life:** When the plate carrier reaches the end of its useful life, dispose of it responsibly.
- **Recycling:** Check local regulations for recycling options for synthetic materials.
- **Hazardous Waste:** If the carrier contains any hazardous materials, follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the BLACKHAWK Foundation Series Plate Carrier, please refer to the relevant EU authorities or safety organizations for assistance.

By following these guidelines, you will ensure the safe and effective use of your BLACKHAWK Foundation Series Plate Carrier. Thank you for prioritizing safety and responsibility in your equipment usage.
