# P320/250 Carry Grip Module Safety Instructions

## Introduction

Thank you for choosing the P320/250 Carry Grip Module. This product is designed to provide a secure and comfortable grip for your P320 MS firing control unit. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle firearms and firearm components with care.
- Ensure that the firearm is unloaded before installation or maintenance.
- Keep the Grip Module and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the Grip Module for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report unsafe products and accidents to authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the Grip Module is compatible with the P320 MS firing control unit and the specified caliber (9mm Luger, .40 S&W, or .357SIG).
- Use only the recommended slides and barrels for your firearm.
- Do not attempt to modify the Grip Module or any firearm components.
- Always use the firearm in a safe environment, away from people and property.
- Wear appropriate eye and ear protection when using the firearm.

## Instructions for Installation and Usage

### 1. Installation of the Grip Module:

- Ensure the firearm is unloaded.
- Remove the existing grip module by following the manufacturer's instructions.
- Align the P320 MS firing control unit with the new Grip Module.
- Securely attach the firing control unit to the Grip Module, ensuring it is seated properly.
- Doublecheck that all components are firmly in place.

### 2. Usage Instructions:

- Before using the firearm, perform a safety check to ensure it is functioning correctly.
- When ready to use, always point the firearm in a safe direction.
- Keep your finger off the trigger until you are ready to shoot.
- Follow proper shooting techniques and practices.

## Disposal Instructions

- Dispose of the Grip Module responsibly, in accordance with local regulations.
- Do not dispose of the Grip Module in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please contact the appropriate authorities or refer to the

manufacturer's website for further assistance.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is paramount. Enjoy your P320/250 Carry Grip Module responsibly.
