Safety Instruction Guide for P320/250 Carry Grip Module

Introduction

Thank you for choosing the P320/250 Carry Grip Module. This guide provides important safety instructions and information to ensure the safe use and installation of your grip module. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that you are familiar with the operation and handling of firearms before using this product.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Keep firearms out of reach of children and unauthorized users.
- Inspect your grip module and firearm for any signs of damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on recall notices through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- This grip module is designed for use with the P320 MS firing control unit and is compatible only with specific calibers: 9mm Luger, .40 S&W, and .357SIG.
- Ensure that you have the correct slide and barrel for the caliber you intend to use.
- Always use the grip module with a manual safety feature as intended.
- Do not modify the grip module or any components of your firearm.
- Wear appropriate eye and ear protection when handling or firing your firearm.
- Store your firearm securely and in compliance with local laws and regulations.

Instructions for Installation and Usage

1. Installation of Grip Module:

- Ensure the firearm is unloaded and safe to handle.
- Remove the existing grip module from the P320 MS firing control unit.
- Align the P320 MS firing control unit with the new grip module.
- Gently press the firing control unit into the grip module until it is securely in place.
- Ensure that the manual safety feature is functioning correctly before proceeding.

2. Usage:

- Familiarize yourself with the operation of the manual safety feature.
- Always check that the firearm is in a safe condition before handling or transporting it.
- Follow all local laws and regulations regarding the use of firearms.

Disposal Instructions

- Dispose of the grip module in accordance with local regulations for plastic waste.
- Do not dispose of the grip module in regular household waste.
- If the grip module is damaged, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the P320/250 Carry Grip Module, please contact the manufacturer or your local authorized dealer. Ensure to keep this guide for future reference and safety instructions.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Your responsible use of this product contributes to a safer environment for everyone.
