

P320/250 X-SERIES GRIP MODULE COMPACT 9/40/357 - 9/40/357 COMPACT LARGE GRIP MODULE, BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Install your P320/P250 firing control unit into this Grip Module Assembly to convert to a P320 or P250 compact chambered in 9mm Luger, .357 SIG, .40 S&W with your selected grip size. Requires the 9mm Luger, .357 SIG and .40 S&W slide and barrel. Designed to function with compact and sub-compact slide. Attention: Not designed for the full-size P320. Will not cover the full-size dust cover leaving the recoil spring and guiderod exposed. Please Note - The X-Series Grip Modules will not work with magazines that have "SIG SAUER" on the baseplate. They are compatible with the baseplates that have the SIG Mark on it.

P320/250 XSERIES Grip Module Safety Instructions

Introduction

Thank you for choosing the P320/250 XSERIES Grip Module. This guide provides essential safety instructions and information to ensure the proper use and installation of your grip module. Please read all instructions carefully before use.

General Safety Guidelines

- Ensure safe use of the grip module by following all instructions.
- Always handle firearms with care and keep them pointed in a safe direction.
- Store the grip module and any associated components out of reach of children and unauthorized users.
- Regularly check for any signs of wear or damage to the grip module and associated components.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- The grip module is designed for use with the P320/P250 firing control unit only.
- Do not use the grip module with fullsize P320 components, as this may expose the recoil spring and guiderod.
- Ensure that the grip module is compatible with your selected magazines. Use only magazines with the SIG Mark on the baseplate.
- Inspect the grip module before each use to ensure it is free from obstructions and damage.
- Always wear appropriate eye and ear protection when handling firearms.

Instructions for Installation and Usage

1. Installation of the Grip Module:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the firing control unit from your P320/P250.
- Align the firing control unit with the designated slots in the grip module.
- Firmly press the firing control unit into place until it is securely seated.
- Check that the unit is properly installed by gently tugging on it to ensure it does not move.

2. Usage:

- Once the grip module is installed, ensure it is securely attached before use.
- Load the firearm with the appropriate ammunition (.9mm Luger, .357 SIG, or .40 S&W).
- Perform a function check to ensure the firearm operates correctly with the new grip module.
- Always follow standard firearms safety practices when handling and operating the firearm.

Disposal Instructions

- Dispose of the grip module in accordance with local regulations.
- Do not dispose of the grip module in regular household waste.
- If the grip module is damaged or no longer usable, contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

If you have any questions or require further assistance, please contact the manufacturer or visit their official website for more information. Ensure to have your product details ready for efficient support.

Please remember that safety is paramount when handling firearms. Always stay informed and follow all guidelines to ensure a safe and enjoyable experience with your P320/250 XSERIES Grip Module.
