

# P320/250 X-SERIES GRIP MODULE COMPACT 9/40/357 - 9/40/357 COMPACT MEDIUM GRIP MODULE, BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Install your P320/P250 firing control unit into this Grip Module Assembly to convert to a P320 or P250 compact chambered in 9mm Luger, .357 SIG, .40 S&W with your selected grip size. Requires the 9mm Luger, .357 SIG and .40 S&W slide and barrel. Designed to function with compact and sub-compact slide. Attention: Not designed for the full-size P320. Will not cover the full-size dust cover leaving the recoil spring and guiderod exposed. Please Note - The X-Series Grip Modules will not work with magazines that have "SIG SAUER" on the baseplate. They are compatible with the baseplates that have the SIG Mark on it.

# Safety Instruction Guide for P320/250 XSERIES Grip Module Compact

## Introduction

Thank you for choosing the P320/250 XSERIES Grip Module Compact. This guide provides essential safety instructions to ensure the safe use and installation of your grip module. Please read this guide carefully before use and installation.

## General Safety Guidelines

- Ensure that you understand the functionality of the P320/P250 Grip Module before use.
- Always handle the grip module and associated firearm components with care to avoid accidental discharge.
- Keep the grip module and all firearm components out of reach of children and unauthorized users.
- Inspect the grip module regularly for any signs of wear or damage.
- Do not use the grip module with any incompatible components, as this may lead to malfunction or injury.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any product recalls or safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- The Grip Module is designed specifically for the P320 and P250 compact models chambered in 9mm Luger, .357 SIG, and .40 S&W.
- Do not attempt to use the grip module with fullsize P320 components, as this may expose the recoil spring and guiderod, leading to potential injury.
- Ensure that the selected grip size is appropriate for your hand size and shooting style.
- Always verify that the firearm is unloaded before installing or removing the grip module.
- Use only magazines that are compatible with the grip module. Magazines with "SIG SAUER" on the baseplate are not compatible.
- Ensure that you are in a safe environment, free from distractions, when handling the grip module.

## Instructions for Installation and Usage

### 1. Prepare for Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, if any, for installation.

### 2. Remove the Existing Grip Module:

- Follow the manufacturer's instructions to safely remove the existing grip module from the firing control unit.

### 3. Install the New Grip Module:

- Align the firing control unit with the new grip module.
- Firmly press the firing control unit into the grip module until it is securely in place.
- Ensure that all components fit snugly and that there are no gaps.

### 4. Check Compatibility:

- Verify that the grip module is compatible with the selected slide and barrel for 9mm Luger, .357

SIG, or .40 S&W.

- Ensure that the grip module is used with the appropriate compact or subcompact slide.

#### **5. Function Check:**

- Conduct a function check to ensure that the firearm operates correctly with the new grip module installed.
- If any issues are detected, discontinue use and consult a qualified gunsmith.

## **Disposal Instructions**

- Dispose of the grip module and any associated components in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.
- Contact local authorities or a qualified waste disposal service for guidance on proper disposal methods.

## **Contact Information for Further Support**

For further assistance, please refer to the manufacturer's website or customer support resources. Ensure that you have the product information ready when seeking support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your P320/250 XSERIES Grip Module Compact. Always prioritize safety and responsible firearm handling.
