

# P320/250 X-SERIES GRIP MODULE COMPACT 9/40/357 - 9/40/357 COMPACT SMALL GRIP MODULE, BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Install your P320/P250 firing control unit into this Grip Module Assembly to convert to a P320 or P250 compact chambered in 9mm Luger, .357 SIG, .40 S&W with your selected grip size. Requires the 9mm Luger, .357 SIG and .40 S&W slide and barrel. Designed to function with compact and sub-compact slide. Attention: Not designed for the full-size P320. Will not cover the full-size dust cover leaving the recoil spring and guiderod exposed. Please Note - The X-Series Grip Modules will not work with magazines that have "SIG SAUER" on the baseplate. They are compatible with the baseplates that have the SIG Mark on it.

# Safety Instruction Guide for P320/250 XSERIES Grip Module Compact

## Introduction

Thank you for choosing the P320/250 XSERIES Grip Module Compact. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure the product is used only as intended and in accordance with the instructions provided.
- Always handle firearms and firearm components with care. Treat every firearm as if it is loaded.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the grip module and associated components for any signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities immediately.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- This grip module is designed specifically for the P320 and P250 compact firearms chambered in 9mm Luger, .357 SIG, and .40 S&W.
- Do not attempt to use this grip module with fullsize P320 models, as it will not fit properly and may expose critical components.
- Ensure that the correct slide and barrel are used with the grip module to prevent malfunction.
- Use only magazines with the SIG Mark on the baseplate, as those with "SIG SAUER" will not be compatible.
- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.

## Instructions for Installation and Usage

### 1. Installation of the Grip Module:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the firing control unit from your existing grip module.
- Carefully insert the firing control unit into the new XSERIES Grip Module.
- Ensure that the unit is securely seated in the grip module.
- Reattach the slide and barrel that are compatible with the compact grip module.

### 2. Usage:

- Familiarize yourself with the operation of the P320/P250 firearm before use.
- Always check that the firearm is unloaded before handling.
- Follow all local laws and regulations regarding the use of firearms.

## Disposal Instructions

- Dispose of the grip module and any associated components in accordance with local regulations.
- Do not dispose of the grip module with regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the P320/250 XSERIES Grip Module Compact, please contact your local authorized dealer or manufacturer representative. Ensure you have the product information readily available for a more efficient response.

By following these guidelines and instructions, you can ensure safe and effective use of your P320/250 XSERIES Grip Module Compact. Thank you for prioritizing safety and compliance with these important instructions.
