Safety Instruction Guide for GRIP MODULE FOR SIG SAUER P250 & P320 XCARRY HANDGUNS

Introduction

Thank you for purchasing the Grip Module for SIG Sauer P250 & P320 XCarry Handguns. This guide provides essential safety instructions, installation procedures, and usage guidelines to ensure safe and effective operation of your product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the Grip Module is used only with compatible SIG Sauer P250 and P320 models.
- Always follow the manufacturer's instructions for the safe handling and storage of firearms.
- Keep firearms and accessories out of reach of children and unauthorized users.
- Regularly inspect the Grip Module for any signs of wear or damage before use.
- Do not use the Grip Module if it is damaged or if any components are missing.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Be aware of your surroundings and ensure a safe environment when handling firearms.

Specific Safety Precautions for Use

- The Grip Module is designed for use with 9mm Luger, 357 SIG, and 40 S&W calibers. Ensure you have the correct slide and barrel for your chosen caliber.
- This Grip Module does not include an extended magwell or internal weight. Ensure you are aware of this before installation.
- The XSeries Grip Modules are not compatible with magazines that display "SIG SAUER" on the baseplate. Use only magazines with the SIG Mark baseplate.
- Always wear appropriate eye and ear protection when using firearms.
- Never point the firearm at anything you do not intend to shoot.
- Always keep your finger off the trigger until you are ready to fire.

Instructions for Installation and Usage

Installation Instructions

1. **Prepare Your Work Area:** Ensure you have a clean, welllit workspace free of distractions.
2. **Ensure Safety:** Verify that your firearm is unloaded and that there is no ammunition in the vicinity.
3. **Remove the Firing Control Unit:** Carefully disassemble your P250 or P320 handgun to access the firing control unit.
4. **Insert the Firing Control Unit:** Place the firing control unit into the Grip Module Assembly.
5. **Secure the Assembly:** Follow the manufacturer's instructions to secure the assembly properly.
6. **Reassemble the Handgun:** Reassemble your handgun according to the manufacturer's guidelines.
7. **Test Functionality:** After reassembly, ensure the firearm functions correctly before use.

Usage Instructions

- Always ensure the firearm is pointed in a safe direction when handling.
- Before firing, check that the firearm is loaded with the correct ammunition.
- Follow all local laws and regulations regarding firearm usage and transportation.

Disposal Instructions

- Dispose of the Grip Module in accordance with local regulations regarding plastic and polymer materials.

- Do not discard the Grip Module in regular household waste if local laws require specific disposal methods for firearms accessories.
- If the Grip Module is damaged beyond use, contact local waste management for proper disposal instructions.

Contact Information for Further Support

For any safety inquiries or support regarding the Grip Module, please refer to the manufacturer's website or contact their customer service directly. Ensure you have your product details ready for a more efficient response.

By following these guidelines, you can help ensure the safe use of your Grip Module for SIG Sauer P250 & P320 XCarry Handguns. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important safety instructions.
