

# GRIP MODULE FOR SIG SAUER P250 & P320 X-CARRY HANDGUNS - 9/40/357 CARRY LARGE GRIP MODULE, COYOTE

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Install your P250 or P320 firing control unit into this Grip Module Assembly to convert to a P250 or P320 X-Series Carry size, chambered in 9mm Luger, 357 SIG, 40 S&W. Requires the 9mm Luger, 357 SIG and 40 S&W slide and barrel. \*Please note: This grip module DOES NOT include the extended magwell and internal weight. The X-Series Grip Modules will not work with magazines that have "SIG SAUER" on the baseplate. They are compatible with the baseplates that have the SIG Mark on it.

# Safety Instruction Guide for GRIP MODULE FOR SIG SAUER P250 & P320 XCARRY HANDGUNS

## Introduction

Thank you for choosing the Grip Module for SIG Sauer P250 & P320 XCarry Handguns. This guide provides essential safety information, installation instructions, and proper usage guidelines to ensure your safety and the effective use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the Grip Module is compatible with your P250 or P320 firing control unit.
- Always handle firearms with care, following all safety protocols.
- Store the Grip Module in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the Grip Module for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Before installation, ensure that the firearm is unloaded and the magazine is removed.
- Do not attempt to install the Grip Module if you are unfamiliar with firearm assembly or disassembly.
- Use only the recommended slides and barrels for the P250 or P320 models: 9mm Luger, 357 SIG, and 40 S&W.
- Avoid using magazines that have "SIG SAUER" on the baseplate; only use those with the SIG Mark.
- Do not modify the Grip Module or attempt to use it with incompatible parts.
- Always follow the manufacturer's safety instructions and guidelines.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded.
- Gather the necessary tools for installation (if applicable).

### 2. Installation Steps

- Remove the firing control unit from your existing Grip Module.
- Align the firing control unit with the new Grip Module.
- Carefully insert the firing control unit into the Grip Module Assembly.
- Ensure that the unit is securely seated and that all components are properly aligned.

### 3. Final Checks

- Verify that the Grip Module is securely attached.
- Check that there are no loose parts or misalignments.
- Conduct a function check to ensure the firearm operates correctly.

### 4. Usage

- Follow standard firearm safety practices when using the handgun.
- Regularly clean and maintain the Grip Module as per the manufacturer's recommendations.

## **Disposal Instructions**

- Dispose of the Grip Module in accordance with local regulations.
- Do not dispose of it in regular household waste.
- Contact local authorities or waste management services for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Grip Module for SIG Sauer P250 & P320 XCarry Handguns, please refer to the manufacturer's website or contact your local authorized dealer for assistance.

Thank you for choosing our product, and stay safe!
