

# GRIP MODULE FOR SIG SAUER P250 & P320 X-CARRY HANDGUNS - 9/40/357 CARRY SMALL GRIP MODULE, BLACK

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Install your P250 or P320 firing control unit into this Grip Module Assembly to convert to a P250 or P320 X-Series Carry size, chambered in 9mm Luger, 357 SIG, 40 S&W. Requires the 9mm Luger, 357 SIG and 40 S&W slide and barrel. \*Please note: This grip module DOES NOT include the extended magwell and internal weight. The X-Series Grip Modules will not work with magazines that have "SIG SAUER" on the baseplate. They are compatible with the baseplates that have the SIG Mark on it.

# Safety Instruction Guide for GRIP MODULE FOR SIG SAUER P250 & P320 X CARRY HANDGUNS

## Introduction

Thank you for choosing the Grip Module for SIG Sauer P250 & P320 X Carry Handguns. This guide provides important safety instructions and information to ensure the safe use of your product. Please read this guide carefully before installation and usage to avoid any potential hazards.

## General Safety Guidelines

- Ensure that you are of legal age to own and operate firearms in your jurisdiction.
- Always handle firearms with care and treat them as if they are loaded.
- Keep the Grip Module and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the Grip Module for any signs of damage or wear before use.
- Do not modify the Grip Module or any firearm components as this may lead to unsafe conditions.
- Always follow the manufacturer's instructions for firearm operation and maintenance.
- In case of any doubts about the safety of the product, consult a qualified firearms expert.

## Specific Safety Precautions for Use

- This Grip Module is designed specifically for the SIG Sauer P250 and P320 models. Ensure compatibility before use.
- The Grip Module does not include an extended magwell or internal weight. Ensure you have the correct components for your firearm.
- This Grip Module is compatible only with magazines that have the SIG Mark on the baseplate. Do not use magazines that have "SIG SAUER" on the baseplate.
- Ensure that the firearm is unloaded before installing or removing the Grip Module.
- Always wear appropriate eye and ear protection when handling firearms.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Prepare the Workspace:

- Choose a clean, dry, and welllit area to work in.
- Ensure that all tools needed for installation are readily available.

#### 2. Check Firearm Status:

- Ensure that the firearm is completely unloaded. Remove the magazine and visually inspect the chamber.

#### 3. Remove the Existing Grip Module:

- Follow the manufacturer's instructions to safely remove the existing grip module from the P250 or P320 firing control unit.

#### 4. Install the Grip Module:

- Align the firing control unit with the new Grip Module.
- Carefully slide the firing control unit into the Grip Module until it is securely in place.
- Ensure that all components fit snugly and that there are no gaps.

## 5. Final Checks:

- Inspect the installation to ensure everything is correctly positioned.
- Ensure that the Grip Module is securely attached and that there are no loose parts.

## Usage Instructions

- Always ensure the firearm is pointed in a safe direction when handling.
- Familiarize yourself with the operation of the firearm after installation of the Grip Module.
- Perform a function check to ensure that the firearm operates correctly with the new Grip Module installed.
- Store the firearm in a secure location when not in use.

## Disposal Instructions

- Dispose of the Grip Module responsibly in accordance with local regulations.
- Do not dispose of the Grip Module in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the Grip Module, please reach out to the manufacturer or a qualified firearms expert for assistance. Ensure to have your product information ready for a more efficient support experience.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on the responsible use of firearms and their components.
