

P320-250 X-SERIES GRIP MODULE FULL SIZE 9/40/357 - 9/40/357 FULL-SIZE LARGE GRIP MODULE, COYOTE

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

Install your P320 firing control unit into this Grip Module Assembly to convert to a P320 X-Series Full size, chambered in 9mm Luger, 357 SIG, 40 S&W. Requires the 9mm Luger, 357 SIG, 40 S&W slide and barrel. *Please note This grip module DOES NOT include the extended magwell and internal weight. The X-Series Grip Modules will not work with magazines that have "SIG SAUER" on the baseplate. They are compatible with the baseplates that have the SIG Mark on it.

P320250 XSERIES GRIP MODULE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the P320250 XSERIES Grip Module. This guide provides essential safety instructions and information to ensure the safe use and installation of your product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is used in accordance with all local laws and regulations.
- Always handle firearms and related components with care and responsibility.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage.
- Do not use the Grip Module if it is damaged or defective.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the Grip Module with the compatible P320 firing control unit and the appropriate slides and barrels (9mm Luger, 357 SIG, 40 S&W).
- Ensure that the Grip Module is installed correctly before use.
- Do not attempt to modify the Grip Module or its components.
- Avoid using magazines that have "SIG SAUER" on the baseplate; only use those with the SIG Mark.
- Always wear appropriate eye and ear protection when handling or firing firearms.

Instructions for Installation and Usage

Installation

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Carefully remove the firing control unit from your existing grip module.
3. Align the firing control unit with the new Grip Module Assembly.
4. Firmly press the firing control unit into the Grip Module until it is securely in place.
5. Check that the Grip Module is properly attached and that there are no gaps.

Usage

- Confirm that the firearm is properly assembled before firing.
- Always follow safe firearm handling practices.
- Store the Grip Module and firearm in a secure location when not in use.

Disposal Instructions

- Dispose of the Grip Module in accordance with local waste disposal regulations.
- Do not incinerate or expose the product to extreme heat.
- If the product is damaged, consult local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the P320250 XSERIES Grip Module, please refer to the manufacturer's

contact information provided with your product.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on responsible use and adherence to these guidelines.
