## 9/40/357 Safety Instruction Guide

### Introduction

Thank you for purchasing the P320250 XSERIES Grip Module Full Size. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of your grip module. Please read this guide carefully before using the product.

### General Safety Guidelines

- Ensure the product is used only as intended, following all instructions provided.
- Always handle firearms and firearm accessories with care, and treat them as if they are loaded.
- Keep the grip module and related components out of reach of children and unauthorized users.
- Regularly inspect your grip module for any signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and seek professional assistance.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- **Compatibility:** This grip module is compatible with P320 firing control units and is designed for use with 9mm Luger, 357 SIG, and 40 S&W slides and barrels only.
- **Magazines:** Use only magazines that have the SIG Mark on the baseplate. The grip module will not work with magazines that have "SIG SAUER" on the baseplate.
- **Extended Magwell:** Please note that this grip module does not include the extended magwell and internal weight. Ensure you understand this before installation.
- **Installation:** Follow the installation instructions carefully to avoid improper assembly that may lead to malfunction or safety hazards.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure that your workspace is clean and free of distractions.
- Gather all necessary tools and components for installation.

#### 2. Installation Steps:

- Remove any existing grip module from your P320 firing control unit.
- Align the P320 firing control unit with the new XSERIES grip module.
- Carefully insert the firing control unit into the grip module, ensuring a secure fit.
- Check that all components are properly seated and that there are no gaps between the grip module and the firing control unit.

#### 3. Final Checks:

- Inspect the installation for any misalignments or issues.
- Ensure that the grip module is securely attached before using the firearm.

#### 4. Usage:

- Always follow safe handling practices when using your firearm.

- Familiarize yourself with the operation of your firearm and the grip module before use.

## **Disposal Instructions**

- Dispose of the grip module and any associated components in accordance with local regulations.
- Do not dispose of the grip module in regular household waste.
- If the grip module is damaged or no longer usable, consider recycling options or contact a local waste management facility for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the P320250 XSERIES Grip Module Full Size, please refer to the manufacturer's website or contact your local dealer for assistance. It is important to ensure that you have access to support for any safety inquiries or issues that may arise.

By following these safety instructions, you can ensure the safe and effective use of your P320250 XSERIES Grip Module Full Size. Thank you for your commitment to safety and responsible firearm ownership.
