Safety Instruction Guide for P320250 XSERIES Grip Module

Introduction

Thank you for choosing the P320250 XSERIES Grip Module. This guide provides essential safety instructions and information to ensure the safe use and handling of your product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that the grip module is used only with compatible P320 firing control units, slides, and barrels.
- Always handle firearms and firearm components with care, following all local laws and regulations.
- Keep the grip module and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the grip module for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not attempt to modify the grip module or any firearm components.
- The grip module does not include an extended magwell or internal weight; ensure that you are using it in its intended configuration.
- The XSeries Grip Module is not compatible with magazines that have "SIG SAUER" on the baseplate. Use only magazines with the SIG Mark.
- Always ensure that the firearm is unloaded before installation or maintenance of the grip module.
- Use appropriate eye and ear protection when handling firearms.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded.
- Gather necessary tools for installation, if required.

2. Installation Steps

- Remove the existing grip module from the P320 firing control unit according to the manufacturer's instructions.
- Carefully insert the firing control unit into the P320250 XSERIES Grip Module.
- Ensure that the unit is securely fitted and that all components are aligned correctly.
- Reattach any necessary components, such as the slide and barrel, ensuring compatibility with 9mm Luger, 357 SIG, or 40 S&W.

3. Usage

- After installation, conduct a function check to ensure proper operation.
- Follow standard firearm safety practices during use.
- Store the firearm in a secure location when not in use.

Disposal Instructions

- Dispose of the grip module in accordance with local regulations regarding electronic waste and polymer materials.

- Do not dispose of the grip module in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the P320250 XSERIES Grip Module, please refer to the manufacturer's website or contact their customer service department for assistance.

Thank you for your attention to these safety guidelines. Your safety and the safety of those around you are our top priority.
