

P365 TRIGGER KIT - P365 FLAT TRIGGER KIT

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

The SIG SAUER P365 factory flat or curved trigger is a direct replacement to your stock trigger. The flat trigger design gives shooters a lower position on the trigger, which will increase leverage for a smoother, more consistent pull.

SIG SAUER P365 TRIGGER KIT Safety Instructions

Introduction

Thank you for choosing the SIG SAUER P365 Trigger Kit. This product is designed to enhance your shooting experience by providing a direct replacement to your stock trigger. It is important to read and understand the safety instructions below to ensure safe and effective use of this product.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure the firearm is pointed in a safe direction at all times.
- Store your firearm and ammunition securely, away from children and unauthorized users.
- Familiarize yourself with the operation of your firearm and the trigger kit.
- Use only compatible models with the SIG SAUER P365 Trigger Kit.
- Regularly inspect your firearm and accessories for wear and tear.

Specific Safety Precautions for Use

- Ensure that the firearm is completely unloaded before installing the trigger kit.
- Do not attempt to modify the trigger kit or firearm in any way that is not recommended by the manufacturer.
- Be aware of the increased leverage provided by the flat trigger design, which may affect your shooting technique.
- If you experience any malfunctions or irregularities with your firearm after installation, cease use immediately and consult a qualified gunsmith.
- This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and the magazine is removed.
- Gather necessary tools for installation, including a punch and hammer.

2. Removing the Stock Trigger:

- Disassemble the firearm according to the manufacturer's instructions.
- Locate the stock trigger and carefully remove it using the punch and hammer.

3. Installing the P365 Trigger Kit:

- Align the new flat trigger with the trigger housing.
- Gently push the trigger into place until it clicks securely.
- Reassemble the firearm, ensuring all parts are correctly fitted.

4. Testing the Trigger:

- Before live firing, perform a function check to ensure the trigger operates smoothly.
- Check for any unusual resistance or movement.

5. Usage:

- When using the firearm, maintain proper shooting stance and grip.

- Regularly practice safe handling and shooting techniques.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the trigger kit is no longer in use, consider recycling parts where possible.
- Do not dispose of any firearm parts in regular household waste.

Contact Information for Further Support

For any inquiries or concerns regarding the SIG SAUER P365 Trigger Kit, please refer to the manufacturer's website or your local authorized dealer for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your SIG SAUER P365 Trigger Kit. Always prioritize safety and responsible firearm handling.
