# M400 TREAD Replacement Handguards Safety Instruction Guide

## Introduction

Thank you for choosing the M400 TREAD Replacement Handguards. This guide provides essential safety information and instructions to ensure the safe use and installation of your new handguards. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions to prevent accidents.
- Always inspect the handguards for any damage before installation and use.
- Keep the handguards out of reach of children and vulnerable individuals.
- Use only compatible mounting hardware as specified in the product description.
- Report any unsafe conditions or accidents to the appropriate authorities immediately.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to equipment failure.
- Using damaged or worn handguards can result in injury.

- **Avoiding Hazards:**

- Always verify that the handguards are securely mounted before use.
- Do not attempt to modify or alter the handguards in any way.
- Ensure that all tools used during installation are in good working condition.

- **Age Specific Warnings:**

- This product is intended for adult use only. Keep away from children.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools for installation. Ensure you have the correct mounting hardware.
- Review the installation area to ensure it is clean and free from debris.

### 2. Installation Steps:

- Remove the existing handguards from the SIG SAUER M400 TREAD using the appropriate tools.
- Align the new M400 TREAD Replacement Handguards with the mounting points on the firearm.
- Securely attach the handguards using the existing hardware. Ensure all screws and fasteners are tightened to the manufacturer's specifications.
- Conduct a final inspection to ensure that the handguards are firmly in place.

### 3. Usage:

- Always handle the firearm safely, following standard firearm safety rules.
- Regularly check the handguards for any signs of wear or damage during use.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the handguards become damaged beyond repair, dispose of them in an environmentally friendly manner, following local guidelines for hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the M400 TREAD Replacement Handguards, please refer to the manufacturer's website or contact their customer support team for assistance.

By following these guidelines, you can ensure the safe and effective use of your M400 TREAD Replacement Handguards. Thank you for your attention to safety.
