M400 TREAD Compensator Safety Instruction Guide

Introduction

Thank you for purchasing the M400 TREAD 5.56MM Compensator. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your compensator. Please read this manual thoroughly before installation and use.

General Safety Guidelines

- Ensure that the compensator is compatible with your firearm model before installation.
- Always handle firearms and firearm accessories with care and respect.
- Follow all local, state, and federal laws regarding the use of firearms and accessories.
- Keep the compensator and all firearm accessories out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to firearm malfunction.
 - Use of the compensator without proper training may increase the risk of accidents.
- **Avoiding Hazards:**
 - Always ensure that the firearm is unloaded before attaching or detaching the compensator.
 - Confirm that the compensator is securely attached before use.
 - Use eye and ear protection when firing your firearm with the compensator.
 - Do not modify the compensator or use it in a manner not intended by the manufacturer.
- **AgeSpecific Warnings:**
 - This product should only be used by individuals who are legally permitted to handle firearms.
 - Ensure that minors are supervised by a responsible adult when in the presence of firearms and accessories.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the threads of the muzzle to remove any debris or obstructions.
- Align the compensator with the muzzle and handtighten it onto the threads.
- Use a wrench to securely tighten the compensator, ensuring not to overtighten and damage the threads.
- Check the alignment and ensure the compensator is straight before use.

2. Usage:

- Before firing, doublecheck that the compensator is securely attached.
- Fire the firearm in a controlled environment, ensuring that all safety measures are in place.
- After use, inspect the compensator for any signs of wear or damage.

Disposal Instructions

- Dispose of the compensator in accordance with local regulations.
- Do not dispose of the compensator in regular household waste.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the M400 TREAD Compensator, please refer to the manufacturer's official website or customer service for assistance.

Thank you for prioritizing safety in your firearm usage. Enjoy your M400 TREAD Compensator responsibly.
