M400 TREAD FORWARD GRIP KIT Safety Instruction Guide

Introduction

Thank you for choosing the M400 TREAD FORWARD GRIP KIT. This product is designed to enhance your firearm's functionality while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the grip kit properly, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the grip kit is compatible with your firearm before installation.
- Keep the grip kit out of reach of children and unauthorized users.
- Inspect the grip kit regularly for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.
- In case of any doubts or questions, seek assistance from a qualified professional.

Specific Safety Precautions for Use

- Do not use the grip kit if damaged or if any components are missing.
- Ensure that the grip kit is securely attached to the firearm before use.
- Avoid using excessive force when installing or adjusting the grip kit.
- Always wear appropriate eye and ear protection when handling firearms.
- Be aware of your surroundings and ensure that you are in a safe environment when using the firearm equipped with the grip kit.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded before beginning installation.
- Locate the MLOK slots on your firearm.
- Align the grip kit components (vertical grip, barricade stop, handstop) with the MLOK slots.
- Use the provided MLOK connectors and mounting hardware to secure the components.
- Tighten all screws and connectors firmly but do not overtighten to avoid damage.

2. Usage:

- Familiarize yourself with the grip kit components and their functions before use.
- Maintain a firm grip on the vertical grip when aiming and firing.
- Use the barricade stop for stabilization when shooting from a barricade or other supports.
- The handstop can be used to prevent your hand from slipping forward on the rail.

Disposal Instructions

- Dispose of the grip kit in accordance with local waste disposal regulations.
- If the grip kit is damaged beyond repair, consider recycling the polymer components where applicable.
- Do not dispose of the grip kit in regular household waste if it contains any hazardous materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding the M400 TREAD FORWARD GRIP KIT, please refer to the contact information provided by the manufacturer. Ensure to check for any recall updates or safety alerts on the EU's Safety Gate platform.

Thank you for your attention to these safety instructions. Enjoy using your M400 TREAD FORWARD GRIP KIT responsibly and safely!
