Introduction

Thank you for choosing the HK MP5K/SP89 TOP RAIL MLOK by Midwest Industries. This product is designed to enhance the functionality of your HK MP5K and its clones by allowing the attachment of various accessories. Please read this safety instruction guide carefully to ensure the safe use and installation of this product.

General Safety Guidelines

- Ensure that the product is suitable for your specific model and that you understand its intended use.
- Always handle firearms and accessories with care and in accordance with local laws and regulations.
- Keep this product out of reach of children and unauthorized users.
- Inspect the product before each use for any signs of damage or wear that may affect safety.
- If you experience any issues during installation or use, cease operation and consult a qualified professional.

Specific Safety Precautions for Use

- Use the product only as intended. Do not modify or alter the rail in any way.
- Always ensure that the firearm is unloaded before installing or removing the rail.
- When mounting accessories, make sure they are securely attached and do not interfere with the operation of the firearm.
- Be aware of your surroundings and ensure a safe environment when handling firearms equipped with this rail.
- If you are unfamiliar with firearm accessories, seek guidance from an experienced user or professional.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools included with the product.
- Ensure that your firearm is unloaded and pointed in a safe direction.

2. Installation:

- Align the rail with the designated mounting points on your HK MP5K or clone.
- Secure the rail using the provided screws, ensuring they are tightened but not overtightened to avoid damage.
- Check that the rail is firmly attached and does not shift or move.

3. Accessory Mounting:

- Utilize the MLOK slots to attach your desired accessories such as optics, lights, or lasers.
- Follow the manufacturer's instructions for each accessory to ensure proper installation.
- Confirm that all accessories are securely mounted before use.

4. PostInstallation Check:

- Inspect the installation to ensure that everything is secure and functioning correctly.
- Perform a function check of your firearm to ensure safe operation.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the product is damaged beyond repair, follow local guidelines for disposal of aluminum materials.
