

# FAST FTC AIMPOINT MAGNIFIER MOUNT - UNITY TACTICAL FAST FTC 30MM MAGNIFIER W/QD LEVER BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

FAST FTC Magnifier Mounts feature the first ever Flip-To-Center (FTC) mechanism (patent-pending), providing stowage completely within the footprint of the weapon's receiver while not occluding the host optic's sight picture at all. This provides the most optic capability with the lowest profile during all modes of operation. The revolutionary FTC function completely solves the problem posed by legacy flip-to-side magnifier mounts (when disengaged, the magnifier hangs off the side of the gun, creating a major snag hazard). FAST™ FTC Magnifier Mounts completely eliminate this danger and utilize a force-to-overcome mechanism for rapid transition. Designed for Aimpoint® Magnifiers (3XMag-1, 3X-C) and some other 30mm magnifiers. FAST™ FTC Magnifier Mounts come complete with American Defense Manufacturing® patented QD Auto-Lock™ Lever. The FAST™ FTC Magnifier Mount is built from 7075-T6 Aluminum and Type III Hardcoat Anodized Black or FDE.

## Attributes

- Name: [UNITY TACTICAL FAST FTC 30MM MAGNIFIER W/QD LEVER BLACK](#)
- Manufacturer: [UNITY TACTICAL](#)
- Product no.: 100043328
- Mfr. No.: FST-MAPB
- Colour: Black
- Fits / Used For: Aimpoint Magnifier
- Height: 2.26"
- Weight: 0.2 lbs
- Delivery weight: 0.181kg
- Shipping height: 76mm
- Shipping width: 102mm
- Shipping length: 127mm
- UPC: 810007880037

# FAST FTC Aimpoint Magnifier Mount Safety Instructions

## Introduction

Thank you for choosing the FAST FTC Aimpoint Magnifier Mount from Unity Tactical. This product is designed to enhance your optical capabilities while ensuring safety and ease of use. Please read this safety instruction guide carefully to ensure proper handling and installation of your magnifier mount.

## General Safety Guidelines

- Ensure that the FAST FTC Magnifier Mount is compatible with your specific Aimpoint magnifier model before use.
- Always inspect the product for any damage or defects before installation and usage.
- Keep the product out of reach of children and vulnerable individuals who may not understand its operation.
- Follow all instructions provided in this guide to avoid potential hazards during installation and use.
- If you experience any issues or notice any irregularities during use, cease operation immediately and consult a professional.

## Specific Safety Precautions for Use

- **Avoid Snag Hazards:** Ensure that the mount is properly secured to prevent it from hanging off the side of the weapon, which could create a snag hazard.
- **Check Stability:** Before using the magnifier mount, verify that it is firmly attached to the weapon and that the QD AutoLock Lever is engaged.
- **Use in Appropriate Environments:** Avoid using the magnifier mount in environments where it may be exposed to extreme temperatures, moisture, or corrosive substances.
- **Regular Maintenance:** Regularly check the mount for any signs of wear or damage, and perform maintenance as necessary to ensure optimal performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the weapon is unloaded and pointed in a safe direction.
- Locate the mounting point on the weapon where the magnifier mount will be attached.
- Align the FAST FTC Magnifier Mount with the mounting point and secure it using the QD AutoLock Lever.
- Confirm that the mount is firmly attached and does not move when pulled or pushed.

### 2. Usage:

- To engage the FlipToCenter (FTC) mechanism, pull the lever to disengage the mount from the side position.
- Rotate the magnifier into the center position for use, ensuring it does not obstruct your sight picture.
- After use, return the magnifier to the stowed position by pulling the lever and flipping it back into place.
- Always check the stability of the mount after transitioning it between positions.

## Disposal Instructions

- Dispose of the FAST FTC Magnifier Mount in accordance with local regulations.
- If the product is no longer usable, consider recycling components where possible to minimize environmental impact.

## Contact Information for Further Support

For inquiries regarding safety, installation, or usage of the FAST FTC Aimpoint Magnifier Mount, please refer to the documentation provided by the manufacturer or consult a qualified professional.

By following these safety instructions, you can ensure a safe and effective experience with your FAST FTC Aimpoint Magnifier Mount. Thank you for your attention to these important guidelines.
