

FAST LPVO MOUNT - UNITY TACTICAL 34MM 2.05" 0 MOA CANTILEVER MOUNT, FDE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The FAST series of optic mounts provides end users with a quicker sight picture than standard height mounts. A taller centerline height provides faster/easier reticle acquisition in all conditions, but especially while wearing tactical gear, night vision goggles, gas masks, helmets, and plate carriers. FAST mounts allow for more rapid visual processing of the battlefield by promoting a heads-up posture. Machined 7075-T6 / Type III Hardcoat Anodized. -Accepts 30mm and 34mm Scopes -Places optic's centerline 2.05" above rail -Compatible with optional offset BUIS/MRDS mount

FAST LPVO Mount User Safety Instruction Guide

Introduction

Thank you for choosing the FAST LPVO Mount from Unity Tactical. This guide provides essential safety information to ensure the proper and safe use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a mounting solution for optics.
- Always inspect the mount for any damage or defects before use.
- Follow all installation instructions carefully to avoid accidents.
- Keep the mount out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Use appropriate tools and follow the installation instructions closely.
 - Ensure the mount is securely attached to the rail before attaching any optics.
- **Usage Safety:**
 - Always check that the optics are properly secured to the mount.
 - Avoid exceeding the weight limit of the mount as specified by the manufacturer.
- **Environmental Precautions:**
 - Avoid using the mount in extreme weather conditions that may affect performance.
 - Regularly clean the mount to prevent dirt and debris accumulation, which may impair functionality.
- **Personal Safety:**
 - When using tactical gear, ensure that it does not obstruct the mount or the sight picture.
 - Be aware of your surroundings and practice safe handling of equipment.

Instructions for Installation and Usage

1. Installation:

- Gather all necessary tools (e.g., screwdriver, wrench).
- Align the FAST LPVO Mount with the mounting rail on your firearm.
- Secure the mount using the provided screws and ensure it is tightened to the manufacturer's specifications.
- Confirm that the optic's centerline is 2.05 inches above the rail for optimal performance.

2. Usage:

- Once installed, attach your 30mm or 34mm scope securely to the mount.
- Adjust the mount as necessary to ensure proper sight alignment.
- Regularly check the tightness of the mount and scope during use.

3. Maintenance:

- Inspect the mount regularly for wear and tear.
- Clean the mount with a soft cloth and mild cleaning solution as needed.
- Store the mount in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the FAST LPVO Mount responsibly in accordance with local regulations.
- Do not dispose of the mount in household waste.
- Check for local recycling programs or hazardous waste facilities for proper disposal methods.

Contact Information for Further Support

For further assistance, please refer to the manufacturer's website or contact their customer service. It is important to have all relevant product information on hand when seeking support.

By following these guidelines, you can ensure a safe and effective experience with your FAST LPVO Mount. Thank you for your attention to safety!
