

FAST LPVO OFFSET OPTIC BASE - UNITY TACTICAL FAST LPVO OFFSET OPTIC BASE BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The FAST series of optic mounts provides end users with a quicker sight picture than standard height mounts. A taller centerline height provides faster/easier reticle acquisition in all conditions, but especially while wearing tactical gear, night vision goggles, gas masks, helmets, and plate carriers. FAST mounts allow for more rapid visual processing of the battlefield by promoting a heads-up posture. Machined 7075-T6 / Type III Hardcoat Anodized. The FAST LPVO Offset Optic Base is compatible with the FAST LPVO Mount.

Safety Instruction Guide for FAST LPVO Offset Optic Base

Introduction

Thank you for choosing the FAST LPVO Offset Optic Base by Unity Tactical. This product is designed to enhance your sighting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

General Safety Guidelines

- Ensure safe use of the FAST LPVO Offset Optic Base by following all instructions provided in this guide.
- Be aware of potential hazards associated with the use of optic mounts, especially when using tactical gear.
- Always inspect the product for any signs of damage or wear before use.
- Keep this product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when handling or using the optic mount.
- Ensure that the optic base is securely attached to your firearm before use.
- Avoid using the optic base in extreme weather conditions that may affect your visibility or safety.
- Do not use the product if it shows signs of damage, such as cracks or loose components.
- Be cautious when adjusting the optic base while in a tactical environment to prevent accidental discharge of your firearm.
- Follow all local laws and regulations regarding the use of optics and firearm accessories.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction before starting the installation process.
- Remove any existing optic mount from your firearm if applicable.
- Align the FAST LPVO Offset Optic Base with the mounting interface on your firearm.
- Securely fasten the optic base using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Doublecheck that the optic base is firmly attached before proceeding to mount your optic.

2. Usage:

- Adjust the height of the optic as needed for your shooting position.
- Practice acquiring the reticle with the optic base in a safe and controlled environment before using it in the field.
- Regularly check the mounting screws for tightness, especially after extensive use.
- Clean the optic base with a soft, dry cloth to avoid scratching the surface.

Disposal Instructions

- Dispose of the FAST LPVO Offset Optic Base in accordance with local regulations for electronic waste and materials.

- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the FAST LPVO Offset Optic Base, please refer to the manufacturer's website or customer service for assistance. Ensure you have the product details handy when seeking support.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your enhanced sighting experience with the FAST LPVO Offset Optic Base!
