

# FAST LPVO OFFSET OPTIC BASE - UNITY TACTICAL FAST LPVO OFFSET OPTIC BASE FDE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The FAST series of optic mounts provides end users with a quicker sight picture than standard height mounts. A taller centerline height provides faster/easier reticle acquisition in all conditions, but especially while wearing tactical gear, night vision goggles, gas masks, helmets, and plate carriers. FAST mounts allow for more rapid visual processing of the battlefield by promoting a heads-up posture. Machined 7075-T6 / Type III Hardcoat Anodized. The FAST LPVO Offset Optic Base is compatible with the FAST LPVO Mount.

## Attributes

# FAST LPVO Offset Optic Base Safety Instructions

## Introduction

Thank you for choosing the FAST LPVO Offset Optic Base by Unity Tactical. This guide provides essential safety instructions to ensure the safe use of the product. Please read this document thoroughly before installation and use.

## General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the optic base for any signs of wear or damage before use.
- Always use the optic base in a safe environment to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for the optic base to prevent structural failure.
- Ensure that the optic base is securely mounted to prevent it from loosening during use.
- Avoid using the product in extreme weather conditions without proper precautions.
- Use protective eyewear when adjusting or handling the optic to prevent injury.
- Be cautious when using the optic base with tactical gear, as it may affect visibility and maneuverability.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure all necessary tools are available before starting the installation.
- Follow these steps for proper installation:
  - Remove any existing mounts from the firearm.
  - Align the FAST LPVO Offset Optic Base with the mounting points on your firearm.
  - Secure the optic base using the provided screws, ensuring they are tightened to the manufacturer's specifications.
  - Doublecheck that the optic base is firmly attached and does not wobble.

### 2. Usage:

- Once installed, adjust the optic to your preferred settings.
- Practice using the optic in a safe environment before engaging in any tactical activities.
- Regularly check the alignment and functionality of the optic during use.

## Disposal Instructions

- Dispose of the product responsibly at designated recycling or waste disposal facilities.
- Do not dispose of the product in regular household waste.
- Follow local regulations for the disposal of electronic and mechanical components.

## Contact Information for Further Support

For any inquiries or concerns regarding the FAST LPVO Offset Optic Base, please refer to the contact information provided by the retailer or manufacturer where the product was purchased.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy

using your FAST LPVO Offset Optic Base.
