

FAST LPVO OFFSET OPTIC ADAPTER PLATE - UNITY TACTICAL OFFSET FAST ADAPTER FOR LEUPOLD DELTAPOINT PRO BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The FAST series of optic mounts provides end users with a quicker sight picture than standard height mounts. A taller centerline height provides faster/easier reticle acquisition in all conditions, but especially while wearing tactical gear, night vision goggles, gas masks, helmets, and plate carriers. FAST mounts allow for more rapid visual processing of the battlefield by promoting a heads-up posture. Machined 7075-T6 / Type III Hardcoat Anodized. The FAST LPVO Offset Optic Adapter Plate is compatible with the FAST LPVO Mount.

Safety Instructions for the FAST LPVO Offset Optic Adapter Plate

Introduction

Thank you for choosing the FAST LPVO Offset Optic Adapter Plate by Unity Tactical. This product is designed to enhance your sighting experience by providing a quicker sight picture and faster reticle acquisition. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the adapter plate is compatible with your FAST LPVO Mount before installation.
- Inspect the product for any visible damage or defects prior to use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent misuse.
- Follow all local laws and regulations regarding the use of optical equipment.
- Store the product in a cool, dry place when not in use to prevent deterioration.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when using optical equipment.
- Avoid looking directly at bright lights or the sun through the optic.
- Be mindful of your surroundings when using the product, especially in tactical situations.
- Ensure that the optic is securely mounted and that all screws and fasteners are tightened before use.
- Do not modify the product in any way, as this may compromise safety and performance.

Instructions for Installation and Usage

1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove any existing optic or mounting hardware from the firearm.
- Align the FAST LPVO Offset Optic Adapter Plate with the mounting interface on your FAST LPVO Mount.
- Secure the adapter plate using the provided screws. Ensure all screws are tightened to the manufacturer's specifications.
- Attach your optic to the adapter plate following the manufacturer's instructions for the optic.

2. Usage

- Adjust your optic according to the manufacturer's guidelines for optimal performance.
- Familiarize yourself with the reticle and sight picture before engaging in any livefire exercises.
- Regularly check the mounting hardware for tightness during use, especially after extensive shooting sessions.
- Clean the optic and adapter plate regularly to maintain clarity and functionality.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- If the product is damaged or no longer usable, ensure it is disposed of in a manner that prevents environmental contamination.

Contact Information for Further Support

For any questions or concerns regarding the FAST LPVO Offset Optic Adapter Plate, please refer to the manufacturer's website or contact the retailer from which you purchased the product. Ensure that you have your purchase details available for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your FAST LPVO Offset Optic Adapter Plate. Thank you for your attention to these important guidelines.
