

# FAST LPVO OFFSET OPTIC ADAPTER PLATE - UNITY TACTICAL AIMPOINT MICRO OFFSET FAST ADAPTER

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The FAST series of optic mounts provides end users with a quicker sight picture than standard height mounts. A taller centerline height provides faster/easier reticle acquisition in all conditions, but especially while wearing tactical gear, night vision goggles, gas masks, helmets, and plate carriers. FAST mounts allow for more rapid visual processing of the battlefield by promoting a heads-up posture. Machined 7075-T6 / Type III Hardcoat Anodized. The FAST LPVO Offset Optic Adapter Plate is compatible with the FAST LPVO Mount.

## Attributes

# FAST LPVO Offset Optic Adapter Plate Safety Instructions

## Introduction

Thank you for choosing the FAST LPVO Offset Optic Adapter Plate by Unity Tactical. This product is designed to enhance your sighting experience while ensuring safety and compliance with EU regulations. Please read this safety instruction guide carefully to ensure proper use and maintenance of your product.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the adapter plate for any visible damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product conditions or accidents to local authorities.
- Stay informed about any product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the adapter plate only with compatible mounts and optics as specified.
- Avoid using the product in extreme weather conditions that may compromise safety.
- Ensure that the adapter plate is securely attached before use to prevent accidents.
- Do not modify or alter the product in any way, as this may affect its safety and performance.
- Wear appropriate personal protective equipment when handling or installing the adapter plate.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that your FAST LPVO Mount is clean and free from debris.
- Align the FAST LPVO Offset Optic Adapter Plate with the mounting interface.
- Secure the adapter plate using the provided screws. Ensure they are tightened to the manufacturer's specifications.
- Doublecheck that the adapter plate is securely attached before proceeding.

### 2. Usage

- When using the optic mounted on the adapter plate, maintain a proper shooting stance.
- Regularly check the stability of the mounted optic during use, especially during dynamic movements.
- If at any point the optic appears loose or unstable, cease use and inspect the mounting.

## Disposal Instructions

- Dispose of the FAST LPVO Offset Optic Adapter Plate in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available to minimize environmental impact.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please contact the manufacturer directly through their official communication channels.

By following these guidelines, you can ensure a safe and effective experience with your FAST LPVO Offset Optic Adapter Plate. Thank you for your attention to safety and compliance.
