

FAST-OFFSET IRON SIGHT MODULE - FAST OFFSET IRON SIGHT MODULE BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The FAST series of optic mounts provides end users with a quicker sight picture than standard height mounts. A taller centerline height provides faster/easier reticle acquisition in all conditions, but especially while wearing tactical gear, night vision goggles, gas masks, helmets, and plate carriers. FAST mounts allow for more rapid visual processing of the battlefield by promoting a heads-up posture. Machined 7075-T6 / Type III Hardcoat Anodized. The FAST Offset Iron Sight Module is compatible with the FAST LPVO Mount.

FASTOFFSET IRON SIGHT MODULE Safety Instruction Guide

Introduction

Thank you for choosing the FASTOFFSET IRON SIGHT MODULE. This guide provides essential safety instructions and guidelines to ensure safe and effective use of this product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the product for any signs of damage or wear before use.
- Keep the product out of reach of children and unauthorized users.
- Do not modify or alter the product in any way.
- Use the product only for its intended purpose.
- Be aware of your surroundings when using the product to avoid accidents.

Specific Safety Precautions for Use

- Always wear appropriate safety gear when using firearms or tactical equipment.
- Ensure that your firearm is unloaded and pointed in a safe direction before installing the sight module.
- Be cautious when operating in lowlight conditions or when wearing tactical gear, as visibility may be reduced.
- If you experience any issues with the product, cease use immediately and consult a qualified technician.
- Avoid using the product in extreme weather conditions that may affect its performance.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure your firearm is unloaded and in a safe condition.
- Locate the mounting area on your FAST LPVO Mount.
- Align the FASTOFFSET IRON SIGHT MODULE with the mounting points.
- Secure the module using the provided screws and tools, ensuring a tight fit.
- Doublecheck the alignment and stability of the sight module before use.

2. Usage Instructions:

- When aiming, maintain a proper stance and grip on your firearm.
- Adjust your sight picture as needed for optimal visibility.
- Practice using the sight module in a controlled environment before engaging in live scenarios.
- Regularly check the sight module for any signs of wear or misalignment during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for metal components when possible.

Contact Information for Further Support

For any safety inquiries or concerns regarding the FASTOFFSET IRON SIGHT MODULE, please refer to the manufacturer's contact details provided with your product packaging.

By following these guidelines, you can ensure the safe and effective use of the FASTOFFSET IRON SIGHT MODULE. Please stay informed about product recalls and safety updates through the EU's Safety Gate platform. Thank you for your attention to safety.
