

FAST-OFFSET IRON SIGHT MODULE - FAST OFFSET IRON SIGHT MODULE FDE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The FAST series of optic mounts provides end users with a quicker sight picture than standard height mounts. A taller centerline height provides faster/easier reticle acquisition in all conditions, but especially while wearing tactical gear, night vision goggles, gas masks, helmets, and plate carriers. FAST mounts allow for more rapid visual processing of the battlefield by promoting a heads-up posture. Machined 7075-T6 / Type III Hardcoat Anodized. The FAST Offset Iron Sight Module is compatible with the FAST LPVO Mount.

FASTOFFSET IRON SIGHT MODULE Safety Instructions

Introduction

Thank you for choosing the FASTOFFSET IRON SIGHT MODULE. This product is designed to enhance your tactical experience by providing a quicker sight picture. To ensure safe and effective use, please read this safety instruction guide carefully. It contains essential information regarding product safety, usage, installation, and disposal.

General Safety Guidelines

- Always follow the manufacturer's instructions for installation and usage.
- Ensure that the product is compatible with your firearm and other equipment.
- Regularly inspect the module for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Use the module only as intended and in accordance with the manufacturer's guidelines.
- Avoid using the module in extreme environmental conditions that may impair its functionality.
- Do not modify or alter the module in any way, as this may compromise safety and performance.
- Always ensure that the firearm is unloaded when installing or adjusting the module.
- Wear appropriate safety gear, such as eye protection, when using firearms equipped with this module.

Instructions for Installation and Usage

1. Installation

- Ensure that the firearm is unloaded.
- Align the FAST Offset Iron Sight Module with the FAST LPVO Mount.
- Securely fasten the module using the provided mounting hardware.
- Doublecheck that the module is firmly attached and does not wobble.
- Adjust the sight to your preferred position for optimal visibility.

2. Usage

- Familiarize yourself with the operation of the module before engaging in livefire situations.
- Practice using the module in a controlled environment to improve your proficiency.
- Always maintain a proper shooting stance and posture while using the module.
- Regularly clean and maintain the module to ensure optimal performance.

Disposal Instructions

- Dispose of the FASTOFFSET IRON SIGHT MODULE in accordance with local regulations.
- Do not dispose of the module in regular household waste.
- If the module is damaged or no longer functional, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the FASTOFFSET IRON SIGHT MODULE, please refer to the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety and performance with your FASTOFFSET IRON SIGHT MODULE. Enjoy your enhanced tactical experience!
