

VERTICAL FORE GRIP GEN 2 - UNITY TACTICAL VFG DIRECT MOUNT W/MLOK, BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Vertical Grips](#)

The Unity Tactical VFG is the perfect size Vertical Fore Grip for M-LOK and Tubular rails with 1/4 - 20 threaded inserts. Its 360 degree sloping sides provide increased grip ability from all angles. It excels when used as a hand stop, but can also be employed as a straight vertical grip. Weighing in at less than 1.5oz, the Unity Direct-Mount Vertical Fore Grip is lightweight, low profile, and integrates directly to most M-LOK and tubular/slick rails. The unique shape creates a seamless grip flow from rail to VFG.

Safety Instruction Guide for Unity Tactical VFG Direct Mount

Introduction

Thank you for choosing the Unity Tactical VFG Direct Mount. This Vertical Fore Grip is designed for optimal performance and safety when used with MLOK and tubular rails. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always inspect the product before use to ensure there are no visible damages or defects.
- Do not use the product if it appears damaged or if any components are missing.
- Ensure that the product is installed correctly to avoid accidents during use.
- Keep the product out of reach of children and unauthorized users.
- Use the product only for its intended purpose as described in this guide.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the grip is securely attached to the rail before use.
- Avoid excessive force when gripping to prevent slips or loss of control.
- Use gloves if necessary for improved grip, especially in wet or slippery conditions.
- Be aware of your surroundings to avoid accidents during use.
- Do not modify the product in any way, as this may compromise safety.

Instructions for Installation and Usage

Installation

1. Prepare the Surface:

- Clean the mounting area on the rail to ensure a secure fit.

2. Align the Grip:

- Position the Unity Tactical VFG at your desired location on the MLOK or tubular rail.

3. Secure the Grip:

- Use the provided hardware to attach the grip securely. Ensure that all screws are tightened to prevent movement during use.

Usage

1. Grip Position:

- Hold the grip with your dominant hand, ensuring a firm and comfortable hold.

2. Using as a Hand Stop:

- Position your hand against the grip to prevent your hand from slipping forward while shooting.

3. Using as a Vertical Grip:

- Maintain a vertical hold for stability while aiming and shooting.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact information provided by the manufacturer or your retailer.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
