

CLUTCH BELT - UNITY TACTICAL MEDIUM (34"-42") CLUTCH BELT, GRAY

[Shooting Accessories](#) > [Holsters & Belt Gear](#) > [Holster Belts](#)

CLUTCH is the ultimate solution for concealment of mission critical gear in non-permissive environments. Designed to make a combat loadout disappear under civilian clothes, CLUTCH is a must-have system for anyone conducting low-vis or undercover operations. It can also be worn as an overt belt for critical response situations, training, home defense, etc. CLUTCH is a modular, multi-purpose belt platform that hugs the body with a two-way stretch material for a custom fit. The inside surface is backed with a no-slip material to keep it in place. Individual cells are lined with Velcro pile to secure any number of pockets, holsters, carriers, etc. A CLUTCH accessory kit is available, comprised of several elastic inserts that securely hold a number of items. CLUTCH can be completely mission-configured for any plain-clothes law enforcement, military, security, or CCW mission. CLUTCH easily accepts most kydex holsters. Simply remove the IWB or OWB belt loops and attach adhesive-backed Velcro (included) to secure the holster in a CLUTCH cell. The same can be done with polymer mag carriers and knife sheaths. Most kydex holster makers' products will easily install in CLUTCH. Once loaded up, simply wrap CLUTCH around your waist or belly and secure the Velcro front closure. Further adjustments can be made in the rear via shock cord draw string. CLUTCH is so form fitting and adjustable that it can literally make a full loadout disappear under a sweatshirt, light jacket, or even a button-down shirt. CLUTCH is extremely useful for plain clothes operations where users want to carry more than a compact handgun. It allows for carriage of a full size pistol, multiple reloads, radio, IFAK, etc, giving the user more capability to prosecute a fight. Because it relies on stretch material to conform to the wearer's body, CLUTCH can easily be paired with sweatpants or workout shorts and a hoodie. CLUTCH is the most versatile concealment rig available. It is a force multiplier for missions that would otherwise relegate operators to compact weapons and less hardware.

CLUTCH BELT UNITY TACTICAL MEDIUM (34"42")

Safety Instruction Guide

Introduction

Thank you for choosing the CLUTCH BELT UNITY TACTICAL MEDIUM. This safety instruction guide is designed to ensure your safe use of the product while maximizing its functionality. Please read this guide thoroughly before using the belt.

General Safety Guidelines

- **Product Safety:** Ensure that the CLUTCH belt is used only for its intended purpose. Misuse may lead to injury or damage.
- **Enhanced Recalls:** Stay informed about any recalls related to the CLUTCH belt. Regularly check for updates from the manufacturer.
- **Online Shopping:** When purchasing online, ensure that you are buying from a reputable retailer that complies with EU safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of children to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer's contact information provided with the product.
- **Rapid Alerts:** Be aware of any safety alerts regarding the CLUTCH belt through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Fit Check:** Always ensure that the belt fits properly around your waist (34"42"). An improper fit may compromise its effectiveness.
- **Weight Limit:** Do not overload the belt with excessive gear that it is not designed to carry. This may lead to failure of the belt or injury.
- **Inspection:** Regularly inspect the belt for wear and tear. If any part is damaged, discontinue use immediately.
- **Secure Holsters:** Ensure that any holsters or accessories are securely attached to the belt to prevent them from falling off during use.
- **Avoid Sharp Objects:** Be cautious when using the belt with sharp objects. Ensure they are properly secured and do not pose a risk of injury.
- **Proper Usage:** Use the belt only in situations for which it is designed, such as lowvis or undercover operations. Do not use it for activities outside its intended purpose.

Instructions for Installation and Usage

Installation

1. **Prepare the Belt:** Lay the belt flat and ensure all Velcro cells are accessible.
2. **Attach Accessories:**
 - Use Velcro pile to secure any pockets, holsters, or carriers to the individual cells of the belt.
 - If using a kydex holster, remove the IWB or OWB belt loops and attach the adhesivebacked Velcro (included) to secure the holster in a CLUTCH cell.
3. **Adjust Fit:** Wrap the belt around your waist or belly. Ensure it is snug but comfortable.

Usage

1. **Secure Closure:** Use the Velcro front closure to secure the belt in place.
2. **Adjustments:** Make further adjustments using the shock cord draw string at the rear for a custom fit.

3. **Concealment:** Ensure that your clothing adequately covers the belt for effective concealment.
4. **Monitor Fit:** Throughout use, periodically check the fit and security of the belt and its accessories.

Disposal Instructions

- **Environmental Consideration:** Dispose of the CLUTCH belt responsibly and in accordance with local regulations.
- **Material Recycling:** If applicable, separate the belt materials (fabric, Velcro, etc.) for recycling.
- **NonHazardous Waste:** The product does not contain hazardous materials; however, ensure it is disposed of in a manner that does not harm the environment.
