

# CLUTCH BELT - UNITY TACTICAL LARGE (40"-48") CLUTCH BELT, GRAY

[Shooting Accessories](#) > [Holsters & Belt Gear](#) > [Holster Belts](#)

CLUTCH is the ultimate solution for concealment of mission critical gear in non-permissive environments. Designed to make a combat loadout disappear under civilian clothes, CLUTCH is a must-have system for anyone conducting low-vis or undercover operations. It can also be worn as an overt belt for critical response situations, training, home defense, etc. CLUTCH is a modular, multi-purpose belt platform that hugs the body with a two-way stretch material for a custom fit. The inside surface is backed with a no-slip material to keep it in place. Individual cells are lined with Velcro pile to secure any number of pockets, holsters, carriers, etc. A CLUTCH accessory kit is available, comprised of several elastic inserts that securely hold a number of items. CLUTCH can be completely mission-configured for any plain-clothes law enforcement, military, security, or CCW mission. CLUTCH easily accepts most kydex holsters. Simply remove the IWB or OWB belt loops and attach adhesive-backed Velcro (included) to secure the holster in a CLUTCH cell. The same can be done with polymer mag carriers and knife sheaths. Most kydex holster makers' products will easily install in CLUTCH. Once loaded up, simply wrap CLUTCH around your waist or belly and secure the Velcro front closure. Further adjustments can be made in the rear via shock cord draw string. CLUTCH is so form fitting and adjustable that it can literally make a full loadout disappear under a sweatshirt, light jacket, or even a button-down shirt. CLUTCH is extremely useful for plain clothes operations where users want to carry more than a compact handgun. It allows for carriage of a full size pistol, multiple reloads, radio, IFAK, etc, giving the user more capability to prosecute a fight. Because it relies on stretch material to conform to the wearer's body, CLUTCH can easily be paired with sweatpants or workout shorts and a hoodie. CLUTCH is the most versatile concealment rig available. It is a force multiplier for missions that would otherwise relegate operators to compact weapons and less hardware.

## Safety Instruction Guide

### Introduction

Thank you for choosing the CLUTCH BELT UNITY TACTICAL LARGE. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your belt. Please read this document carefully before using the product.

### General Safety Guidelines

- Ensure the belt is suitable for your waist size (40"48") before use.
- Regularly inspect the belt for any signs of wear or damage.
- Do not overload the belt with excessive weight, as this may affect its performance and comfort.
- Ensure that all attachments (holsters, pouches, etc.) are securely fastened to prevent accidents.
- Keep the belt away from sharp objects and extreme heat sources.
- Store the belt in a cool, dry place when not in use.

### Specific Safety Precautions for Use

- The CLUTCH belt is designed for adult use only. Keep it out of reach of children.
- Avoid using the belt in situations where it may become entangled or caught on objects.
- When using the belt in lowvisibility or undercover operations, ensure that it does not compromise your safety or that of others.
- Be cautious when adjusting the belt to avoid pinching or injury to your skin.
- If you experience any discomfort while wearing the belt, remove it immediately.

### Instructions for Installation and Usage

#### 1. Fitting the Belt:

- Place the belt around your waist or belly.
- Adjust the length to fit your size comfortably within the specified range (40"48").
- Secure the Velcro front closure firmly but not too tight.

#### 2. Attaching Accessories:

- For kydex holsters, remove the IWB or OWB belt loops.
- Attach the adhesivebacked Velcro (included) to the holster and then secure it in a CLUTCH cell.
- Repeat this process for any additional accessories such as polymer mag carriers or knife sheaths.

#### 3. Adjusting the Fit:

- Use the shock cord drawstring at the rear of the belt for further adjustments to ensure a snug fit.

#### 4. Wearing the Belt:

- Ensure that the belt is positioned correctly and that all accessories are secured.
- The belt can be worn under civilian clothing for concealment or as an overt belt for critical response situations.

## **Disposal Instructions**

- Dispose of the belt in accordance with local regulations regarding textile waste.
- If the belt is damaged beyond repair, consider recycling the materials if possible.
