# CLUTCH ACCESSORY KIT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Unity Tactical Clutch Accessory Kit. This product is designed to enhance the functionality of your Unity Tactical Clutch Belt. Please read this safety instruction guide carefully to ensure safe and effective use of the accessory kit.

## General Safety Guidelines

- Ensure that the product is used only as intended, following all instructions provided.
- Regularly inspect the accessory kit for any signs of wear or damage before use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental misuse.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Only use the Clutch Accessory Kit with the compatible Unity Tactical Clutch Belt.
- Ensure that the elastic inserts are securely positioned in the belt before inserting any items.
- Avoid overloading the elastic inserts, as this may compromise their integrity and effectiveness.
- Do not use the accessory kit for any purpose other than its intended use.
- If you experience any irritation or discomfort while using the product, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Positioning the Elastic Insert:

- Select a cell in the clutch belt where you wish to position the elastic insert.
- Carefully insert the elastic insert into the chosen cell.
- Ensure that the Velcro adhesion is secure to prevent the insert from coming loose during use.

### 2. Inserting Items:

- Once the elastic insert is securely positioned, you can insert your desired item into the elastic band.
- Ensure that the item is properly secured and does not exceed the recommended load for the elastic insert.

### 3. Regular Maintenance:

- Periodically check the elastic inserts and the belt for signs of wear and tear.
- Clean the product according to the manufacturer's recommendations to maintain its integrity.

## Disposal Instructions

- Dispose of the Clutch Accessory Kit in accordance with local waste disposal regulations.
- Do not incinerate the product as it may release harmful substances.
- If applicable, recycle any components that are recyclable.
