

# 6MM DASHER BRASS - ALPHA MUNITIONS 6MM DASHER SRP BRASS 100/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

## ALPHA MUNITIONS 6MM DASHER BRASS WITH OCD OPTIMIZED CASE HEAD TECHNOLOGY

The 6mm Dasher is a popular cartridges based off the 6mm BR (Benchrest) case. It has roughly 10% more case capacity than a 6mm BR and has been popular with Benchrest shooters for a long time and has recently become very popular with Precision Long Range competitors. It's known for being a very efficient and accurate cartridge that is easy to find really good loads for. The Alpha 6mm Dasher brass uses Small Rifle primers and ships in 100 count custom Alpha Munitions plastic cases with perforated bi-layer foam for protection of cases during shipping and can be used for loaded ammunition. Each 6mm Dasher case produced by Alpha Munitions also incorporates the company's OCD with optimized case head technology, which is designed to lengthen primer pocket life, as well as the life of the case overall, even at higher than normal pressures and velocities.

### Attributes

- Name: [ALPHA MUNITIONS 6MM DASHER SRP BRASS 100/BOX](#)
- Manufacturer: [ALPHA MUNITIONS](#)
- Product no.: 100043463
- Mfr. No.: AM6DR100
- Cartridge: 6 mm Dasher
- Rounds: 100
- Quantity: 100
- Delivery weight: 1.361kg
- Shipping height: 102mm
- Shipping width: 152mm
- Shipping length: 152mm
- UPC: 616612670335

### Item details

Made in USA

US export classification: 0A505.x

# Safety Instruction Guide for 6MM Dasher Brass

## Introduction

Thank you for choosing the 6MM Dasher Brass by Alpha Munitions. This guide provides essential safety instructions to ensure the safe handling and use of this product. Please read this guide carefully to understand the necessary precautions and procedures.

## General Safety Guidelines

- Ensure safe use of the 6MM Dasher Brass by following these general safety guidelines:
  - Always handle ammunition and reloading components with care.
  - Keep the product out of reach of children and unauthorized users.
  - Store brass in a cool, dry place to prevent corrosion.
  - Inspect brass for defects before use. Do not use damaged brass.
  - Follow all local laws and regulations regarding the use of ammunition and reloading components.

## Specific Safety Precautions for Use

- When using the 6MM Dasher Brass, consider the following precautions:
  - Use only Small Rifle primers as specified.
  - Ensure that your reloading equipment is compatible with 6MM Dasher specifications.
  - Avoid exceeding recommended pressures and velocities during reloading.
  - Wear appropriate eye and ear protection while reloading and shooting.
  - Do not reuse primers or brass that show signs of excessive wear.
  - Be aware of your surroundings when shooting and ensure a safe shooting environment.

## Instructions for Installation and Usage

- Follow these instructions for the proper use of 6MM Dasher Brass:
  1. **Inspection:** Before use, visually inspect each brass case for any signs of damage or wear.
  2. **Reloading:**
    - Clean the brass cases before reloading to remove any dirt or debris.
    - Use a reloading manual to find the appropriate load data for the 6MM Dasher.
    - Use Small Rifle primers as per the specifications provided.
  3. **Filling:** Carefully fill each case with the appropriate powder charge, ensuring accuracy.
  4. **Seating:** Seat the bullet firmly and ensure it is properly aligned within the case.
  5. **Final Inspection:** After reloading, inspect each round for consistency and defects.

## Disposal Instructions

- When disposing of 6MM Dasher Brass, please follow these guidelines:
  - Do not dispose of brass in regular household waste.
  - Recycle brass cases through a local recycling program or return them to a retailer that offers recycling services.
  - Ensure that any live ammunition is safely disposed of according to local regulations.

## Contact Information for Further Support

- For safety inquiries or support, please refer to the contact information provided by the retailer or manufacturer. Ensure you have your product details ready for efficient assistance.

## Conclusion

By following these safety instructions, you can help ensure a safe and enjoyable experience with your 6MM Dasher Brass. Always prioritize safety and stay informed about best practices in handling ammunition and reloading components. Thank you for your attention to these guidelines.
