Safety Instruction Guide for 6MM Creedmoor Brass

Introduction

Thank you for choosing the Alpha Munitions 6mm Creedmoor Brass. This guide provides essential safety instructions to ensure the safe use of this product. Please read this document carefully and keep it for future reference.

General Safety Guidelines

- Ensure that you are familiar with the safe handling and use of ammunition components.
- Always store brass in a cool, dry place away from direct sunlight and moisture.
- Keep brass and all ammunition components out of reach of children and unauthorized individuals.
- Use protective eyewear when handling or reloading ammunition.
- Regularly inspect your brass for signs of damage or wear before use.
- Follow all local laws and regulations regarding the use and storage of ammunition components.

Specific Safety Precautions for Use

- Only use the 6mm Creedmoor brass with firearms that are designed for this caliber.
- Do not exceed the recommended load specifications for your specific firearm.
- Ensure that the primer pocket is clean and free from debris before seating the primer.
- Avoid using brass that shows signs of excessive wear, such as cracks, splits, or deformation.
- Always wear gloves when handling brass to avoid possible skin irritation from residues.

Instructions for Installation and Usage

1. Preparation:

- Inspect the brass cases for any damage or defects.
- Clean the brass cases if necessary to remove any dirt or debris.

2. Priming:

- Choose the appropriate primer (Large or Small Rifle) based on your brass type.
- Use a priming tool to seat the primer firmly but not excessively deep.

3. Loading:

- Measure and prepare your powder charge according to the specific load data for your firearm.
- Carefully pour the powder into the brass case, ensuring no spillage.

4. Bullet Seating:

- Select the appropriate bullet for your load.
- Use a bullet seating die to seat the bullet to the desired depth.

5. Final Inspection:

- Check each loaded round for proper overall length and visual inspection for defects.
- Store loaded ammunition in a safe, secure location.

Disposal Instructions

- Dispose of used or damaged brass cases in accordance with local regulations.
- Do not discard brass in regular waste; consider recycling options where available.
- Follow local guidelines for the disposal of hazardous materials if applicable.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Alpha Munitions 6mm Creedmoor Brass, please contact your local distributor or refer to the manufacturer's website for further assistance.

By following these guidelines, you can help ensure a safe and enjoyable experience with your Alpha Munitions 6mm Creedmoor Brass. Always prioritize safety and comply with local laws and regulations.
