## ALPHA MUNITIONS 25 CREEDMOOR BRASS WITH OCD OPTIMIZED CASE HEAD TECHNOLOGY

The Alpha 25 Creedmoor brass uses Small Rifle primers and ships in 100 count custom Alpha Munitions plastic cases with perforated bi-layer foam for protection of cases during shipping and can be used for loaded ammunition. Each 25 Creedmoor case produced by Alpha Munitions also incorporates the company's OCD with optimized case head technology, which is designed to lengthen primer pocket life, as well as the life of the case overall, even at higher than normal pressures and velocities.

# Safety Instruction Guide for 25 Creedmoor Brass by Alpha Munitions

## Introduction

Thank you for choosing the Alpha 25 Creedmoor Brass. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the brass cases.

## General Safety Guidelines

- **Product Safety:** Always ensure the safe handling and use of all nonfood products. This includes being aware of the risks associated with ammunition components.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. In case of a recall, you will be provided with free remedies for any identified safety issues.
- **Online Shopping:** If you purchased this product online, be assured that it meets the same safety requirements as products sold in physical stores.
- **Special Consumer Focus:** Extra precautions should be taken when the product is used around vulnerable groups, such as children. Keep all ammunition components out of reach of children.
- **EU Contact Point:** For any safety inquiries, please refer to your local EU-based contact for assistance.
- **Rapid Alerts:** Be proactive in checking for updates on unsafe products through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper handling of brass cases can lead to injury or accidents.
  - Ensure that all components are stored safely to prevent accidental discharge.
- **Avoiding Hazards:**
  - Always handle brass cases with care, using protective gear when necessary.
  - Ensure that the workspace is clear of distractions and clutter.
  - Never point the brass cases at yourself or others.
- **Age Restrictions:**
  - This product is intended for use by individuals of legal age to handle ammunition components. Always verify local laws regarding age restrictions.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure that you are in a safe and controlled environment before beginning any installation process.
  - Check all components for defects before use.
- **Usage:**
  - Use only Small Rifle primers as specified for the Alpha 25 Creedmoor brass.
  - Store brass cases in the provided custom Alpha Munitions plastic cases to ensure protection during shipping and storage.
  - Handle with clean hands to avoid contamination of the brass cases.
  - Follow all local regulations regarding the loading and use of ammunition.

## Disposal Instructions

- **Disposal of Unused Brass Cases:**
  - Dispose of any unused or defective brass cases in accordance with local regulations for hazardous

materials.

- Do not dispose of brass cases in regular trash. Contact local waste management for proper disposal methods.

- **Recycling:**

- If possible, recycle brass cases to minimize environmental impact. Check with local recycling facilities for guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of the Alpha 25 Creedmoor Brass, please consult your local authorities or your place of purchase for assistance.

By following these guidelines, you can ensure a safe and effective experience with your Alpha 25 Creedmoor Brass. Thank you for your attention to safety!
