# Safety Instruction Guide for 6.5MM Creedmoor Brass

## Introduction

Thank you for choosing the Alpha Munitions 6.5MM Creedmoor Brass. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that all components used with the 6.5MM Creedmoor Brass are compatible and in good condition.
- Store the brass in a cool, dry place away from direct sunlight and moisture to prevent corrosion.
- Always handle ammunition components with care and respect, treating them as potentially dangerous items.
- Keep the brass and all reloading components out of reach of children and unauthorized individuals.
- Regularly check for updates on product recalls or safety notices through official channels.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading ammunition.
- Use only the recommended primers and powders for loading 6.5MM Creedmoor ammunition.
- Verify that the primer pocket is clean and free of debris before inserting the primer.
- Do not exceed the recommended load specifications for the 6.5MM Creedmoor cartridge.
- Inspect each case for signs of damage or excessive wear before use. Do not use damaged cases.
- Ensure that your reloading equipment is properly maintained and functioning correctly.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary materials, including the 6.5MM Creedmoor Brass, primers, powder, and projectiles.
- Ensure your workspace is clean and organized.

### 2. Reloading:

- Clean the brass cases thoroughly before use to remove any dirt or residue.
- Insert the appropriate primer into the primer pocket of each brass case.
- Measure and add the correct amount of powder to each case, following safe reloading practices.
- Seat the bullet securely into the case mouth, ensuring it is aligned properly.

### 3. Final Inspection:

- After reloading, inspect the finished cartridges for any irregularities.
- Store completed ammunition in a secure location.

## Disposal Instructions

- Dispose of any damaged or unusable brass and ammunition components according to local regulations.
- Do not throw brass or ammunition in regular trash. Contact local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the 6.5MM Creedmoor Brass, please refer to the official Alpha Munitions website or contact their customer support for assistance.
