Safety Instruction Guide for 260 Remington Brass by Alpha Munitions

Introduction

Thank you for choosing the 260 Remington Brass from Alpha Munitions. This guide provides essential safety instructions to ensure the safe use of this product. Please read this document carefully before using the brass.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Store the brass in a cool, dry place away from direct sunlight and moisture.
- Keep out of reach of children and vulnerable individuals.
- Regularly check for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and ear protection, when handling ammunition.
- Handle all brass and ammunition with care to avoid accidental discharge.
- Verify that the brass is compatible with your firearm before use.
- Do not exceed recommended loads or pressures as specified by your firearm manufacturer.
- Ensure that the primer pockets are clean and free from debris to avoid misfires.
- Do not modify the brass in any way that could affect its performance or safety.

Instructions for Installation and Usage

1. Preparation

- Inspect each case for any visible defects or damage.
- Ensure that you have the necessary tools and equipment for loading ammunition.

2. Loading Ammunition

- Use only recommended primers and powders that are compatible with the 260 Remington caliber.
- Follow the loading guidelines provided by reputable reloading manuals.
- Fill each case with the appropriate amount of powder as per the specifications.

3. Seating the Bullet

- Carefully seat the bullet in the case mouth.
- Ensure that the bullet is seated to the correct depth as per your loading specifications.

4. Final Inspection

- Inspect each loaded round for consistency and proper assembly.
- Store loaded ammunition in a safe and secure location.

Disposal Instructions

- Dispose of any damaged or unused brass in accordance with local regulations.

- Do not dispose of brass in regular household waste.
- Consider recycling options for brass and other materials.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the designated EU contact point for this product. Ensure that you have the product details at hand for efficient assistance.

Thank you for prioritizing safety while using the 260 Remington Brass. Your attention to these guidelines helps ensure a safe and enjoyable experience.
