# Safety Instruction Guide for 260 Remington Brass by Alpha Munitions

## Introduction

Thank you for choosing the Alpha 260 Remington Brass. This guide provides essential safety instructions and guidelines for the safe handling, installation, and disposal of this product. Please read and follow these instructions carefully to ensure safe use and compliance with EU safety regulations.

## General Safety Guidelines

- Always handle ammunition components with care to prevent accidents.
- Store brass in a cool, dry place away from direct sunlight and moisture.
- Keep out of reach of children and unauthorized persons.
- Regularly inspect your brass for signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure you are using the correct primer pocket size (Large or Small) for your specific application.
- Always wear safety glasses and appropriate personal protective equipment (PPE) when reloading ammunition.
- Use only approved reloading equipment and follow manufacturer instructions.
- Avoid exceeding recommended load specifications to prevent excessive pressure.
- Do not use damaged or deformed brass cases.

## Instructions for Installation and Usage

### 1. Preparation:

- Inspect each brass case for any signs of damage or wear before use.
- Clean the brass cases to remove any dirt or debris.

### 2. Reloading:

- Choose the appropriate primer for your brass (Large or Small).
- Follow the reloading manual specific to your caliber for accurate load data.
- Ensure that the primer is seated properly in the pocket to avoid misfires.

### 3. Firing:

- Use the reloaded ammunition only in firearms that are designed for the 260 Remington caliber.
- Always follow the firearm manufacturer's safety guidelines when using reloaded ammunition.

### 4. PostUse:

- After firing, collect the spent brass cases for inspection and potential reloading.
- Dispose of any unusable or damaged brass responsibly.

## Disposal Instructions

- Dispose of brass cases in accordance with local regulations.
- Do not throw brass cases in regular trash; consider recycling options where available.

- Ensure that any hazardous materials (e.g., spent primers) are disposed of properly.

## Contact Information for Further Support

For safety inquiries or assistance, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.

## Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Alpha 260 Remington Brass. Always prioritize safety and compliance with applicable regulations. Thank you for your attention to these important guidelines.
