# Safety Instruction Guide for 308 Winchester Brass by Alpha Munitions

## Introduction

Thank you for choosing the Alpha Munitions 308 Winchester Brass. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this guide carefully before use to ensure compliance with safety standards and regulations.

## General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of ammunition components.
- Always handle brass and ammunition components with care to avoid accidents.
- Keep this product out of reach of children and unauthorized users.
- Regularly check for product recalls or safety notices related to ammunition components.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when handling or using ammunition.
- Inspect brass cases for any signs of damage or corrosion before use.
- Ensure that you are using the correct type of primer for the brass case you are loading.
- Do not exceed recommended load specifications for the ammunition you are creating.
- Store brass and loaded ammunition in a cool, dry place away from direct sunlight and moisture.
- Avoid using brass that has been previously reloaded more than the recommended number of times.

## Instructions for Installation and Usage

### • Preparation for Use:

- Ensure that your reloading equipment is clean and in good working condition.
- Gather all necessary tools and materials before starting the reloading process.

### • Reloading Process:

- Carefully insert the primer into the primer pocket of the brass case.
- Use a reliable reloading manual to determine the correct powder charge for your specific load.
- Fill the brass case with the appropriate powder charge, ensuring no spillage occurs.
- Insert the bullet into the case mouth and crimp if necessary, following the specifications for your load.

### • PostUse:

- After reloading, store your completed ammunition in a secure, labeled container.
- Clean your reloading tools and workspace thoroughly after use.

## Disposal Instructions

- Dispose of any damaged or unusable brass cases in accordance with local regulations.
- Do not discard brass cases in regular trash; consult local recycling programs for proper disposal options.
- Ensure that all loaded ammunition is disposed of safely and responsibly.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the Alpha Munitions 308 Winchester Brass, please refer to the manufacturer's website or contact your local distributor.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Alpha Munitions 308 Winchester Brass. Thank you for your attention to safety.
