

# V4 MIL/LEO GLOCK OPTIC MOUNTING PLATE - C&H PRECISION WEAPONS HOLOSUN 509T MOS MOUNTING PLATE

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

## A Dedicated Optic-Mounting Plate for Your Go-To Glock

C&H Precision has developed a dedicated optics-mounting plate designed for use on a range of MOS-ready Glock pistols, and these plates are designed for heavy duty use with a wide range of popular red-dot optics on the market. Each C&H Precision V4 MIL/LEO Optic Mounting Plate designed for use on Glock pistols is machined from 6061 aluminum and treated with a hard-anodized finish. The plates are equipped with two recoil posts, and all of the company's V4 plates come with replaceable T-posts made from stainless steel. Products marked RSF (Rear Sight Forward) feature a forward mounting rear sight built into the mount and are not compatible with the Trijicon SRO. The plates are secured with Torx head screws designed for the best possible retention.

## Attributes

- Name: [C&H PRECISION WEAPONS HOLOSUN 509T MOS MOUNTING PLATE](#)
- Manufacturer: [C&H PRECISION WEAPONS](#)
- Product no.: 100043485
- Mfr. No.: GL-509T
- Colour: Black
- Model: 17,19,34,35,40,41
- Weapon type: Glock
- Weight: 0.2 lbs
- Delivery weight: 0.025kg
- Shipping height: 3mm
- Shipping width: 10mm
- Shipping length: 15mm

# V4 MIL/LEO GLOCK OPTIC MOUNTING PLATE C&H PRECISION WEAPONS HOLOSUN 509T MOS MOUNTING PLATE Safety Instruction Guide

## Introduction

Thank you for choosing the C&H Precision V4 MIL/LEO Optic Mounting Plate. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this document carefully before use.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use with MOSready Glock pistols. Ensure that you follow all instructions to mitigate risks associated with installation and usage.
- **Enhanced Recalls:** Stay informed about potential recalls. If you receive a recall notice, follow the provided instructions promptly.
- **Online Shopping Protections:** Whether purchased online or instore, this product meets EU safety requirements.
- **Consumer Focus:** Extra care should be taken when this product is used around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU-based contact point provided by the manufacturer.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates on any unsafe products.

## Specific Safety Precautions for Use

- **Compatibility:** Ensure that the mounting plate is compatible with your specific Glock model (17, 19, 34, 35, 41, 40). This product is not compatible with the Trijicon SRO.
- **Inspection:** Before installation, inspect the mounting plate for any signs of damage or defects. Do not use a damaged product.
- **Secure Installation:** Always use the provided Torx head screws for installation. Ensure that the screws are tightened securely to prevent the plate from loosening during use.
- **Avoid Modifications:** Do not modify the mounting plate in any way, as this may compromise safety and functionality.
- **Proper Handling:** Handle the mounting plate with care to avoid injury. Sharp edges may be present.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a Torx screwdriver.
- Ensure your Glock pistol is unloaded and pointed in a safe direction.

### 2. Installation:

- Remove the existing sight from your Glock if applicable.
- Align the mounting plate with the mounting holes on the slide of the Glock.
- Insert the Torx head screws into the mounting holes and tighten securely. Ensure the screws are not overtightened to avoid stripping.

### 3. Optic Attachment:

- Once the mounting plate is securely installed, attach your chosen red dot optic according to the manufacturer's instructions.
- Ensure that the optic is securely fastened and properly aligned.

#### **4. Usage:**

- Regularly check the tightness of the screws and the optic attachment before use.
- If you notice any movement or looseness, stop using the product and retighten the screws.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Ensure that all components are disposed of safely to prevent environmental harm.
- Do not dispose of the product in household waste.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the contact information provided by C&H Precision Weapons.

Thank you for choosing the C&H Precision V4 MIL/LEO Optic Mounting Plate. Your safety is our priority.
