

# V4 MIL/LEO GLOCK OPTIC MOUNTING PLATE - C&H PRECISION WEAPONS HOLOSUN 407K/507K FOR GLOCK MOS MOUNTING PLATE BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

## A Dedicated Optic-Mounting Plate for Your Go-To Glock

C&H Precision has developed a dedicated optics-mounting plate designed for use on a range of MOS-ready Glock pistols, and these plates are designed for heavy duty use with a wide range of popular red-dot optics on the market.

Each C&H Precision V4 MIL/LEO Optic Mounting Plate designed for use on Glock pistols is machined from 6061 aluminum and treated with a hard-anodized finish. The plates are equipped with two recoil posts, and all of the company's V4 plates come with replaceable T-posts made from stainless steel. Products marked RSF (Rear Sight Forward) feature a forward mounting rear sight built into the mount and are not compatible with the Trijicon SRO. The plates are secured with Torx head screws designed for the best possible retention.

## Attributes

- Name: [C&H PRECISION WEAPONS HOLOSUN 407K/507K FOR GLOCK MOS MOUNTING PLATE BLACK](#)
- Manufacturer: [C&H PRECISION WEAPONS](#)
- Product no.: 100043486

# V4 MIL/LEO GLOCK OPTIC MOUNTING PLATE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the V4 MIL/LEO GLOCK Optic Mounting Plate by C&H Precision Weapons. This guide provides essential safety instructions to ensure the safe and effective use of your mounting plate. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the installation instructions to prevent accidents.
- Regularly inspect the mounting plate for signs of wear or damage.
- Store the product in a safe place away from children and vulnerable individuals.
- If you experience any issues during installation or usage, stop using the product immediately and seek assistance.

## Specific Safety Precautions for Use

- Use only the recommended optics (Holosun 509T, Holosun 407K) to ensure compatibility and safety.
- Ensure that the mounting plate is securely attached to the Glock pistol before use.
- Avoid using the product in extreme environmental conditions, such as excessive moisture or extreme temperatures.
- Do not modify the mounting plate in any way, as this may compromise its integrity and safety.
- Always wear appropriate eye protection when handling firearms and accessories.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including Torx head screws and a Torx screwdriver.
- Ensure that the Glock pistol is unloaded and pointed in a safe direction.

### 2. Installation:

- Align the mounting plate with the mounting points on the Glock MOS slide.
- Insert the Torx screws into the designated holes of the mounting plate.
- Tighten the screws securely to ensure the mounting plate is firmly attached.
- Check for any movement or looseness in the mounting plate before proceeding.

### 3. Usage:

- After installation, carefully attach the compatible optic to the mounting plate.
- Ensure that the optic is securely fastened and properly aligned for optimal performance.
- Conduct a function check to verify that the optic operates correctly with the firearm.

### 4. PostInstallation Check:

- Regularly inspect the mounting plate and optic for any signs of wear or damage.
- Ensure that all screws remain tight and secure during use.

## Disposal Instructions

- Dispose of the mounting plate and any packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the appropriate contact channels provided by the manufacturer.

## Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the V4 MIL/LEO GLOCK Optic Mounting Plate. Always prioritize safety and adhere to the guidelines outlined in this manual. Thank you for your attention to these important safety practices.
