

# V4 MIL/LEO GLOCK OPTIC MOUNTING PLATE - C&H PRECISION WEAPONS AIMPOINT ACRO MOS MOUNTING PLATE

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

## A Dedicated Optic-Mounting Plate for Your Go-To Glock

C&H Precision has developed a dedicated optics-mounting plate designed for use on a range of MOS-ready Glock pistols, and these plates are designed for heavy duty use with a wide range of popular red-dot optics on the market. Each C&H Precision V4 MIL/LEO Optic Mounting Plate designed for use on Glock pistols is machined from 6061 aluminum and treated with a hard-anodized finish. The plates are equipped with two recoil posts, and all of the company's V4 plates come with replaceable T-posts made from stainless steel. Products marked RSF (Rear Sight Forward) feature a forward mounting rear sight built into the mount and are not compatible with the Trijicon SRO. The plates are secured with Torx head screws designed for the best possible retention.

## Attributes

- Name: [C&H PRECISION WEAPONS AIMPOINT ACRO MOS MOUNTING PLATE](#)
- Manufacturer: [C&H PRECISION WEAPONS](#)
- Product no.: 100043488
- Mfr. No.: GL-ACRO-ST
- Colour: Black
- Fits / Used For: Aimpoint ARCO
- Model: 41,17,19,34,35,40
- Weapon type: Glock
- Weight: 0.2 lbs
- Delivery weight: 0.025kg
- Shipping height: 3mm
- Shipping width: 10mm
- Shipping length: 15mm

## Safety Instructions

### Introduction

Thank you for choosing the V4 MIL/LEO GLOCK Optic Mounting Plate by C&H Precision Weapons. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product. Please read this manual carefully before installation and usage.

### General Safety Guidelines

- Ensure the product is used only for its intended purpose as stated in this manual.
- Regularly inspect the mounting plate for any signs of wear or damage before each use.
- Keep the mounting plate out of reach of children and vulnerable individuals.
- If you experience any issues with the product, discontinue use immediately and consult a qualified technician.
- Always follow local laws and regulations regarding the use of firearms and accessories.

### Specific Safety Precautions for Use

- **Compatibility:** Ensure that the mounting plate is compatible with your specific Glock model (17, 19, 34, 35, 41, 40) and the Aimpoint ACRO optics.
- **Installation:** Only use the provided Torx head screws for securing the mounting plate. Do not substitute with other types of screws.
- **Recoil Posts:** Ensure that the two recoil posts are properly installed and secured to prevent any movement during use.
- **RSF Models:** If your mounting plate is marked RSF (Rear Sight Forward), be aware that it features a builtin rear sight and is not compatible with the Trijicon SRO.
- **Inspection:** After installation, check all screws and components for tightness before using the firearm.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary tools, including a Torx screwdriver.
- Ensure the firearm is unloaded and pointed in a safe direction.

#### 2. Installation:

- Remove the existing optics or sight from the Glock pistol.
- Align the C&H Precision V4 MIL/LEO Mounting Plate with the mounting interface on the slide of your Glock.
- Insert the provided Torx head screws through the mounting plate and into the slide.
- Tighten the screws securely, ensuring the mounting plate is flush with the slide surface.

#### 3. Optics Attachment:

- Follow the manufacturer's instructions for attaching your Aimpoint ACRO optics to the mounted plate.
- Ensure the optics are securely fastened and properly aligned.

#### 4. Final Check:

- Perform a thorough inspection of the installation to confirm that all components are secure and that there are no obstructions.
- Test the firearm in a safe environment to ensure proper function and alignment of the optics.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding aluminum and electronic waste.
- Do not dispose of the mounting plate in regular household waste.
- For guidance on proper disposal methods, consult local waste management authorities.

## **Contact Information for Further Support**

For any questions or concerns regarding the V4 MIL/LEO GLOCK Optic Mounting Plate, please refer to the manufacturer's website or contact your local retailer for assistance.

By following these safety instructions and guidelines, you will ensure a safe and effective experience with your V4 MIL/LEO GLOCK Optic Mounting Plate. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
